

**CONCEPT OF THE INTERIOR**

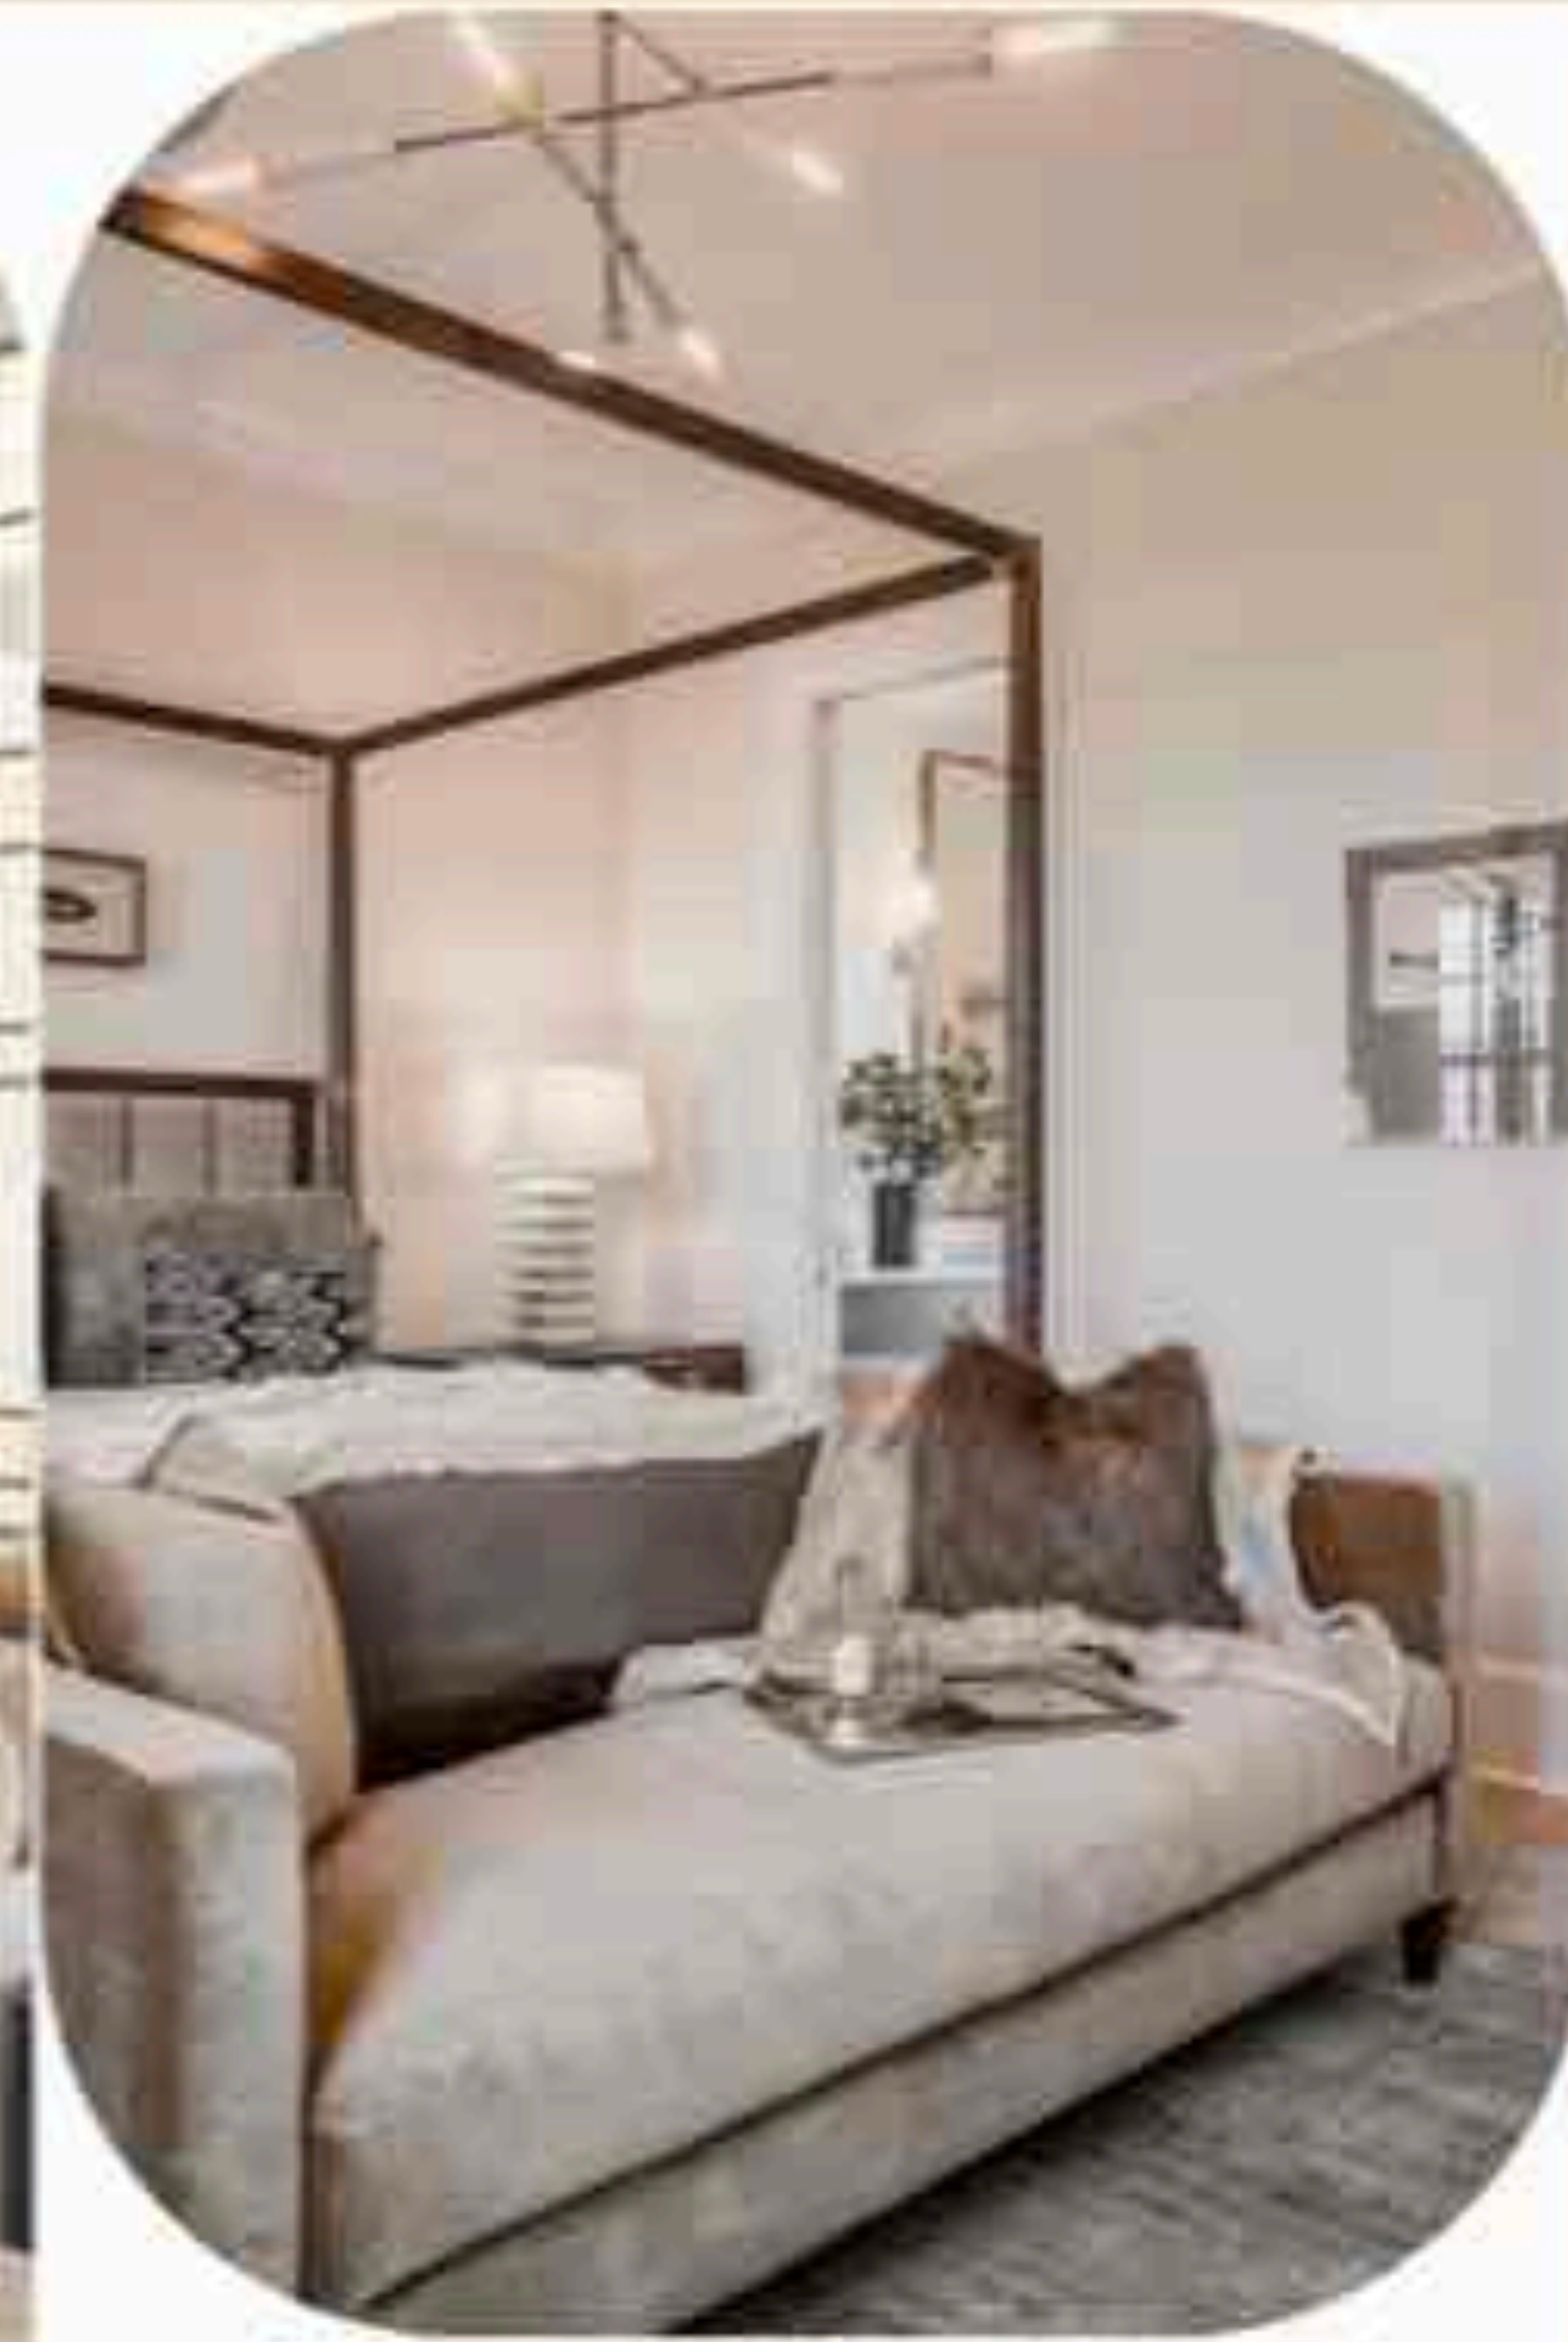

AN AMAZING  
HOUSE  
FACING  
ACRÓPOLIS

# LUXURY LIVING

- The atmosphere of this house represents the status of the owners.
- The colors are light.
- The style is classical with contemporary touch. We could call it *Neoclassic*.

# HOUSE STYLING IDEAS

If we join the Neoclassical style with soft monochrome or light colors you can see the house this way

# ADDING SOME CONTRASTS

Still in monochrome light interior but adding contrasts with fabrics, art, small pieces of furniture

# FEEL MORE COLOR

## WARM COLORS

# SOFT COLORS MAKES IT COZY

# GOLD ELEMENTS

- Don't be afraid to use some gold in the interior
- It keeps balance between gray marble and elements of decor

# MIRRORS

IT ALWAYS MAKES THE SPACE LOOKS WIDER.

# ECLECTIC

IT MEANS TO MIX DIFFERENT STYLES.

WE CAN MIX CLASSICAL BACKGROUND WITH MODERN ELEMENTS

ALL THE FLOORING  
IN THE HOUSE  
ARE MARBLE

**ECLECTIC** THE EXAMPLE SHOWS THE CLASSICAL  
WALLS OF LIGHT COLOR WITH MODERN FURNITURE AND  
LIGHTS.

# LIVING ROOM STYLING IDEAS

- We will use a gas bio fireplace in the living room modern rectangle shape
- Since the wall above the fireplace is wide and the high of the room is 4 meters we need to make it very beautiful.
- The suggestion is to create an ONIX marble wall with light from inside.
- ONIX has different colors. We could choose a light one or a very contrast one.

# HOW TO CUT THE MARBLE

- There are a lot of beautiful ONIX and other types of marble. But the most beautiful result you will have if you cut it in right way.
- The most beautiful way to cut onix calls "butterfly"

# STAIRCASE IDEAS

- Marble main staircase
- The fencing is metal could be gold, mat silver or black color. But the best way to combine black with cold or mat silver to have contrast.

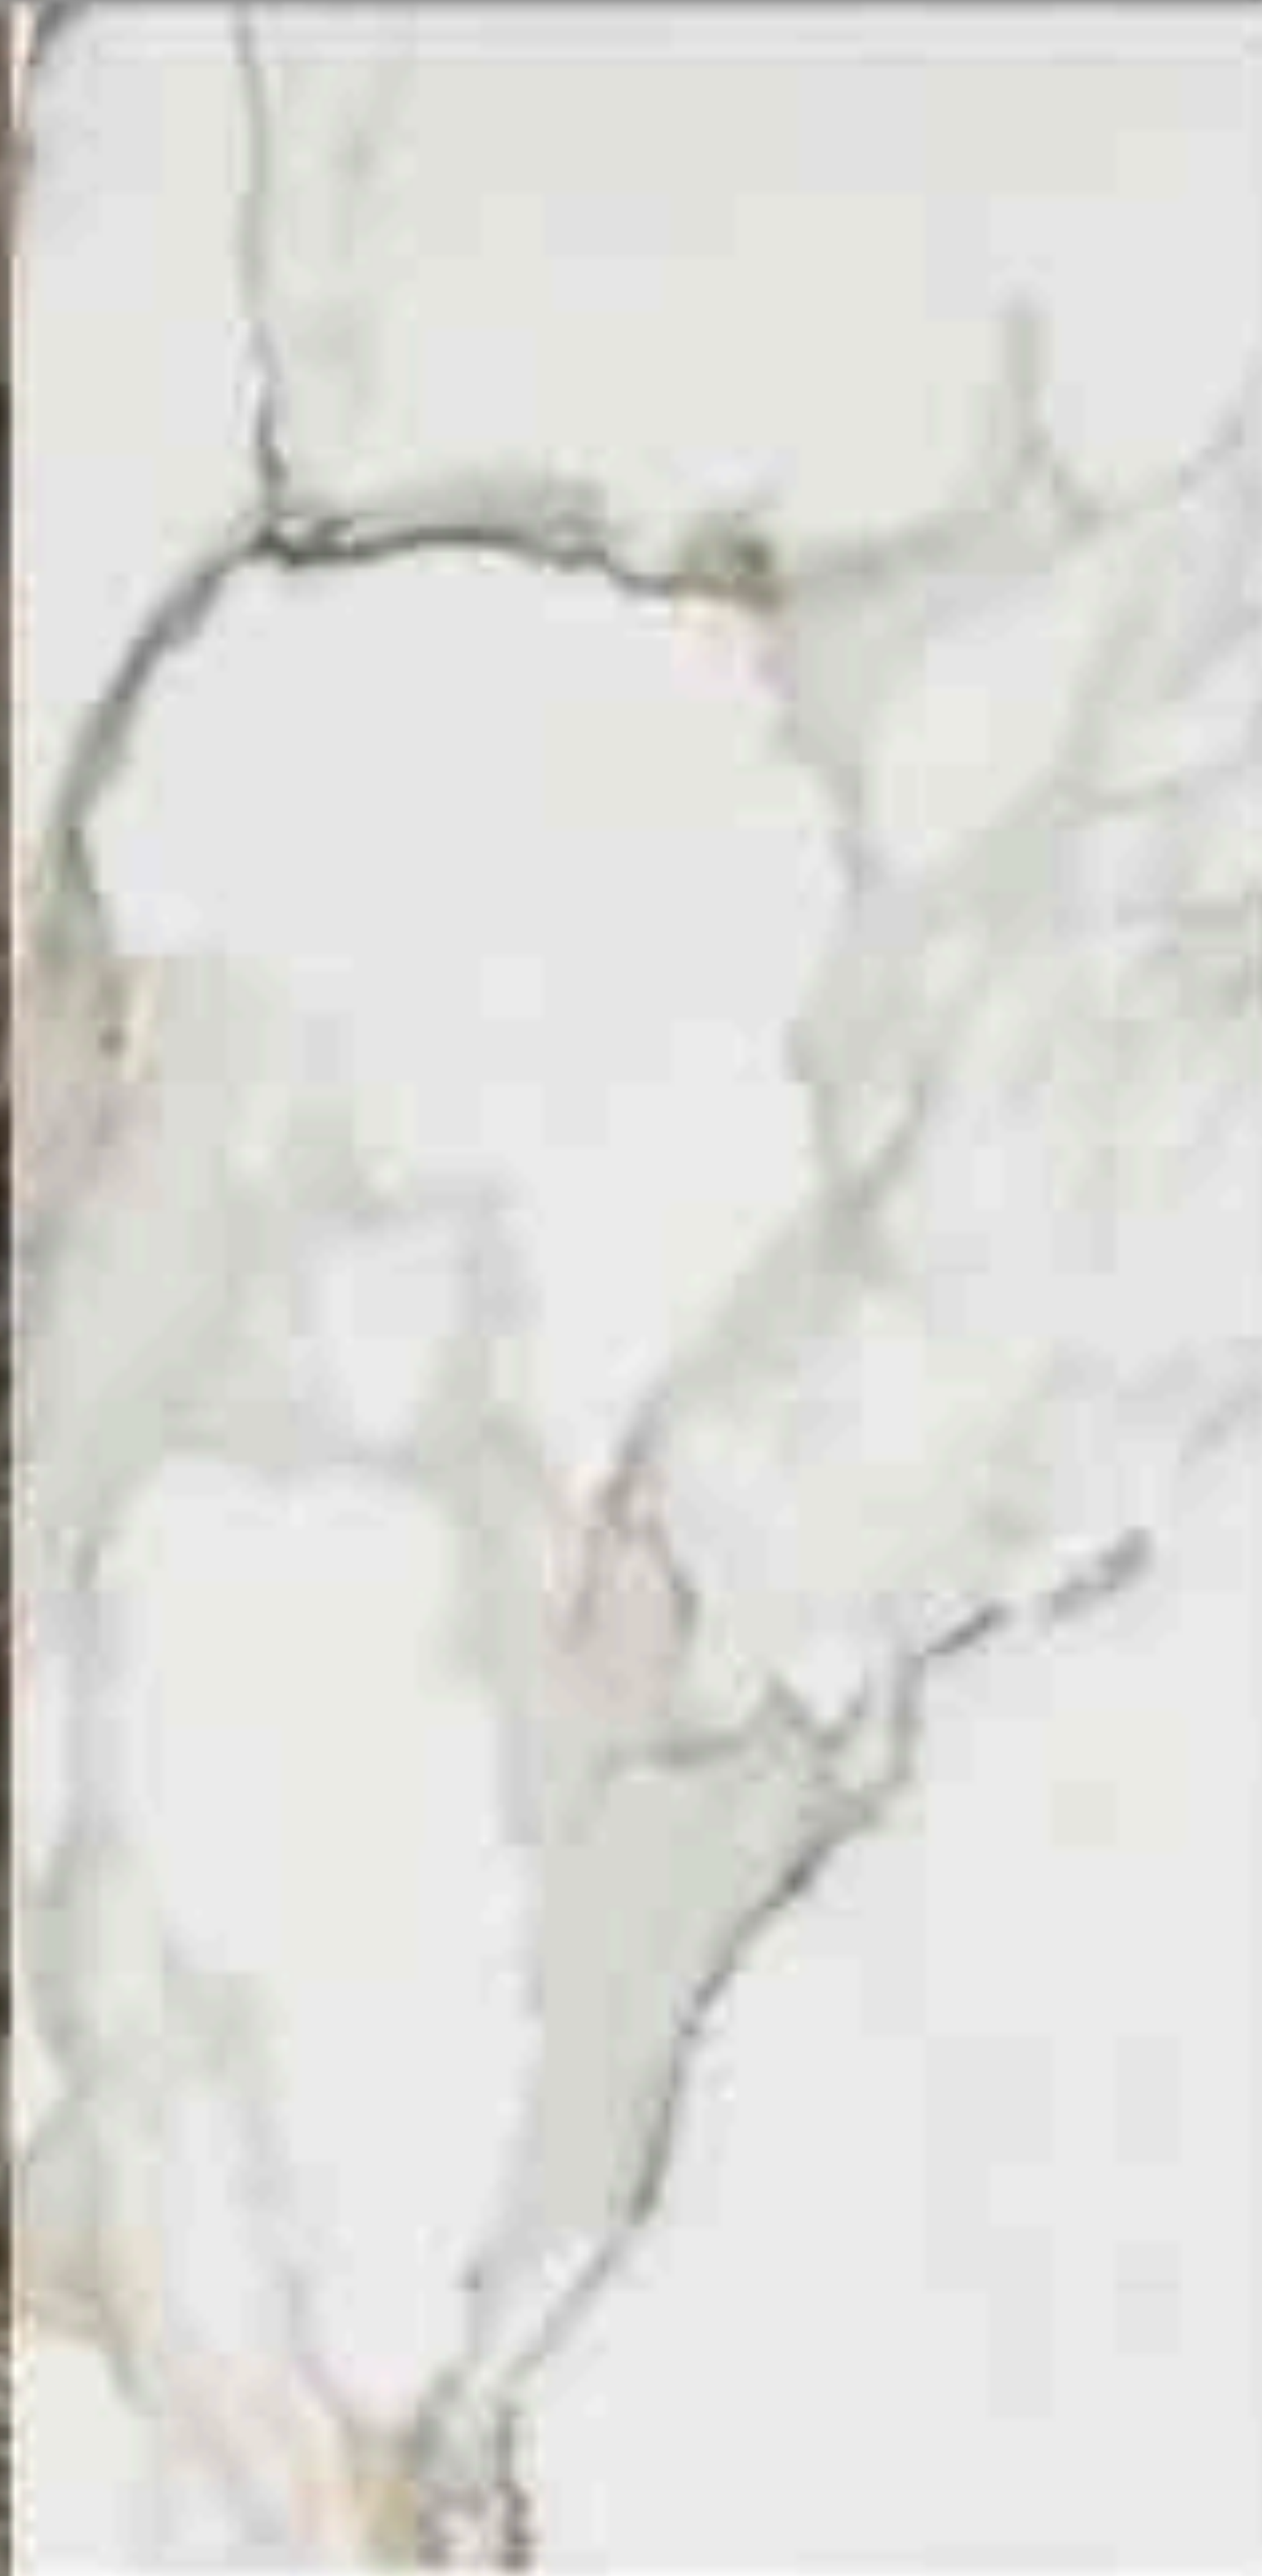

# MASTER BEDROOM STYLING IDEAS

- The master bedroom is light and bright with a lot of windows
- The style is more modern than the other rooms have
- Combination of different materials as marble, wood, glass, metal, fabrics makes the bedroom cozy.

# THERE ARE TWO OPTIONS HOW TO DECORATE AND DIVIDE THE MASTER BEDROOM

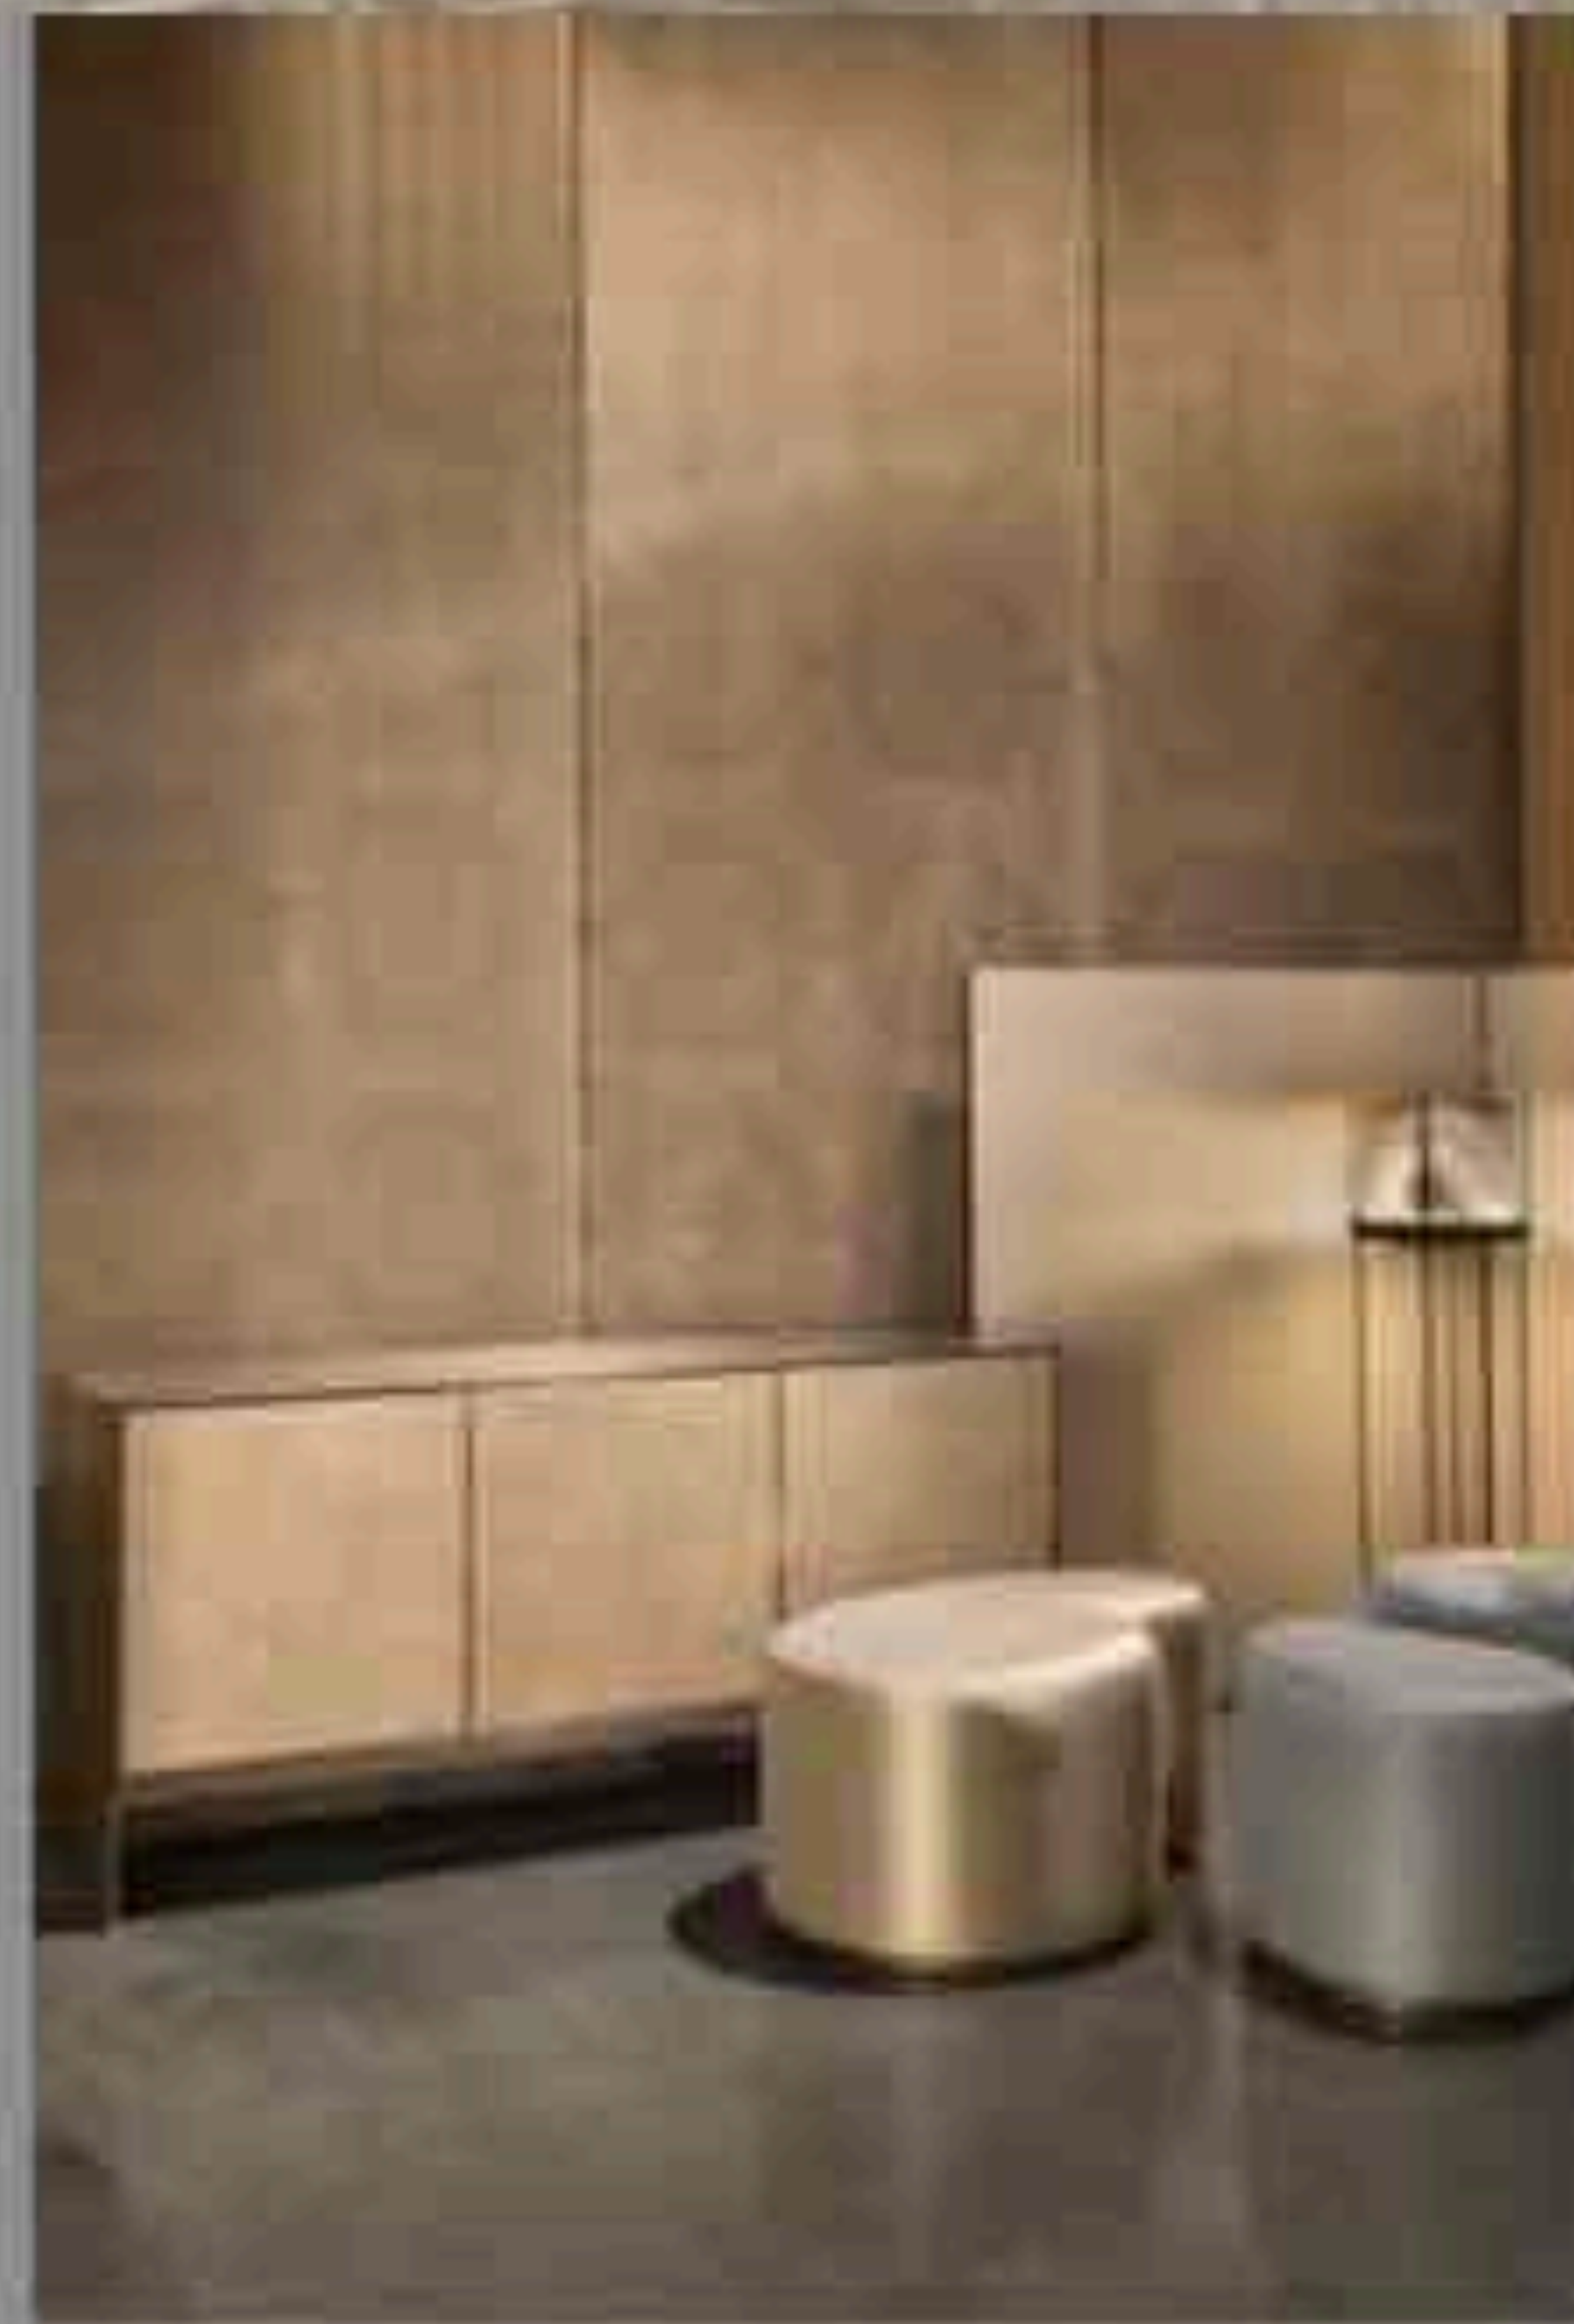

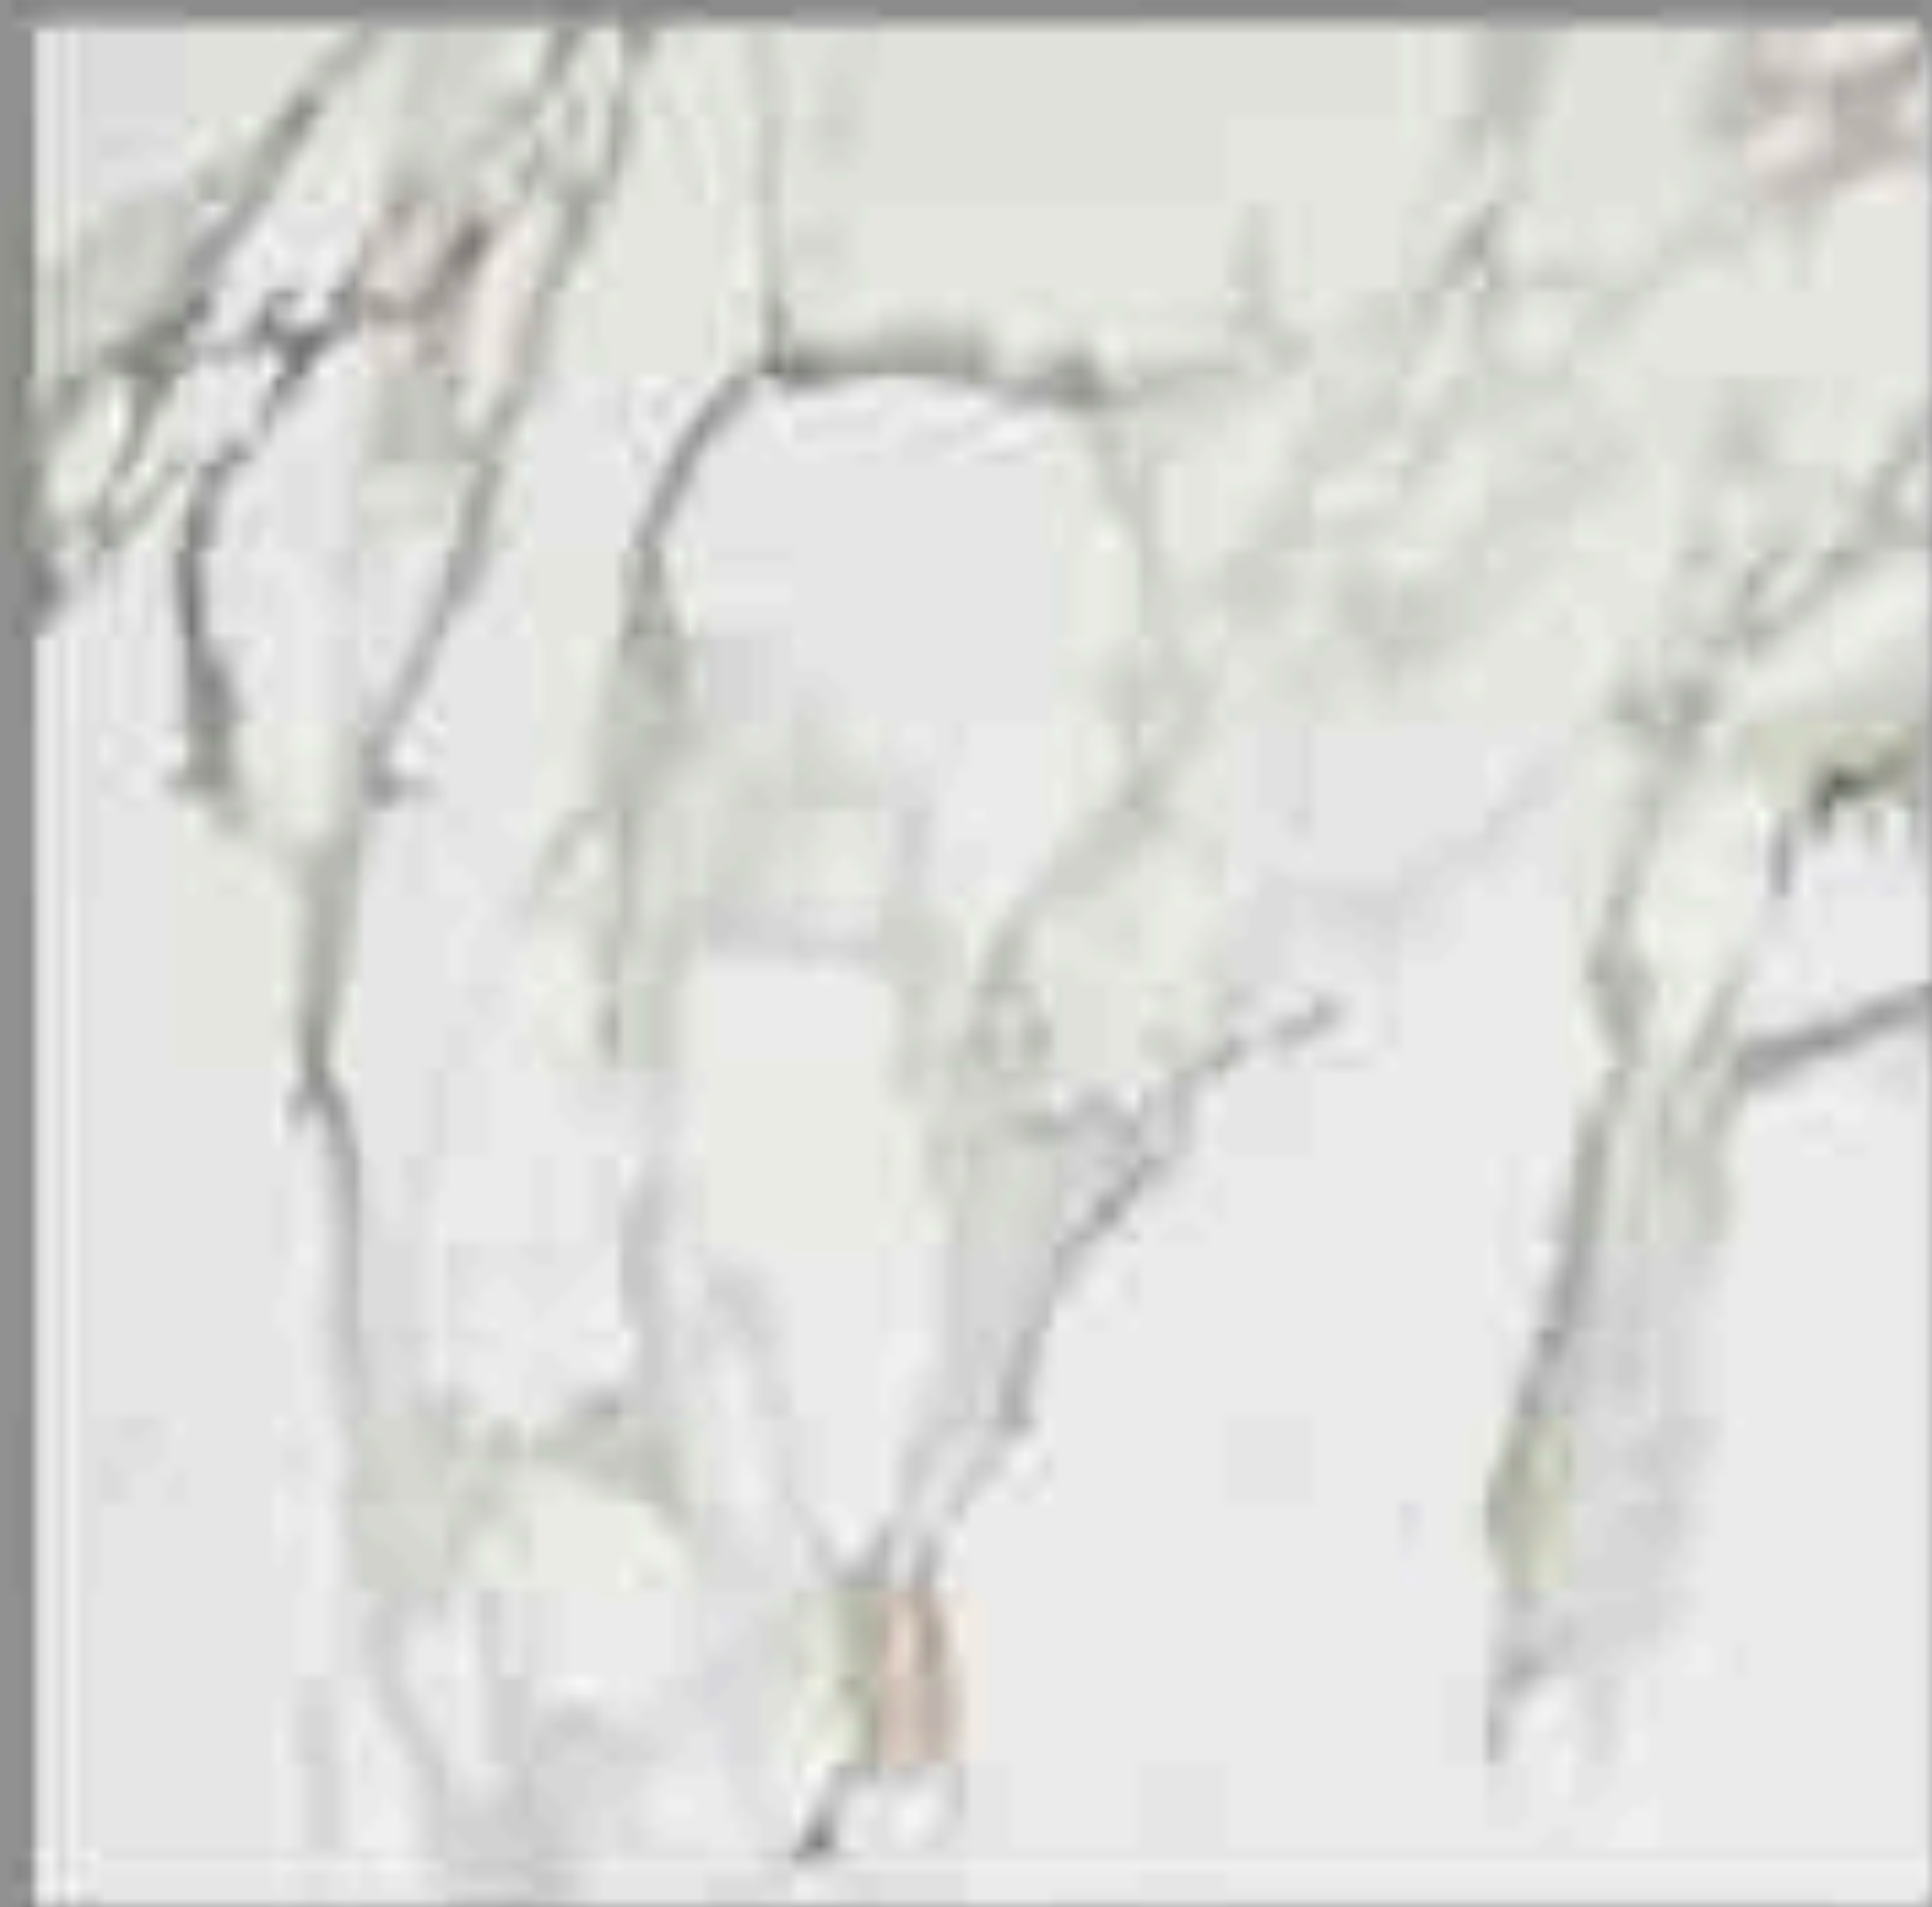

COLORS ARE WARM

THE FURNITURE IS ARMANI CASA

THE FABRICS ARE LUXURIOUS

# PARTITIONS IN THE MASTER BEDROOM

- Master bedroom is not just a room but a big space with different zones
- It means we need to divide the room using partitions
- The partitions should not just divide the space but to be one of the beautiful parts
- One of the ideas is a corrugated Matt glass

# BATHROOM IDEAS

- When we use cold (gray) colored marble it is the right way to combine it with gold (warm) elements.
- In the master bathroom this gold elements can be taps and showers.
- It makes the interior LUXURIOUS

# MASTER WARDROBE STYLING IDEAS

- The wardrobe is a part of the master bedroom
- It has wooden parts
- Neoclassical style with modern elements
- The colors are light

# ELEVATOR STYLING IDEAS

- The elevator is also the part of master bedroom space
- It should be as beautiful as it can be
- Using the same colors and materials
- The pictures show some of examples

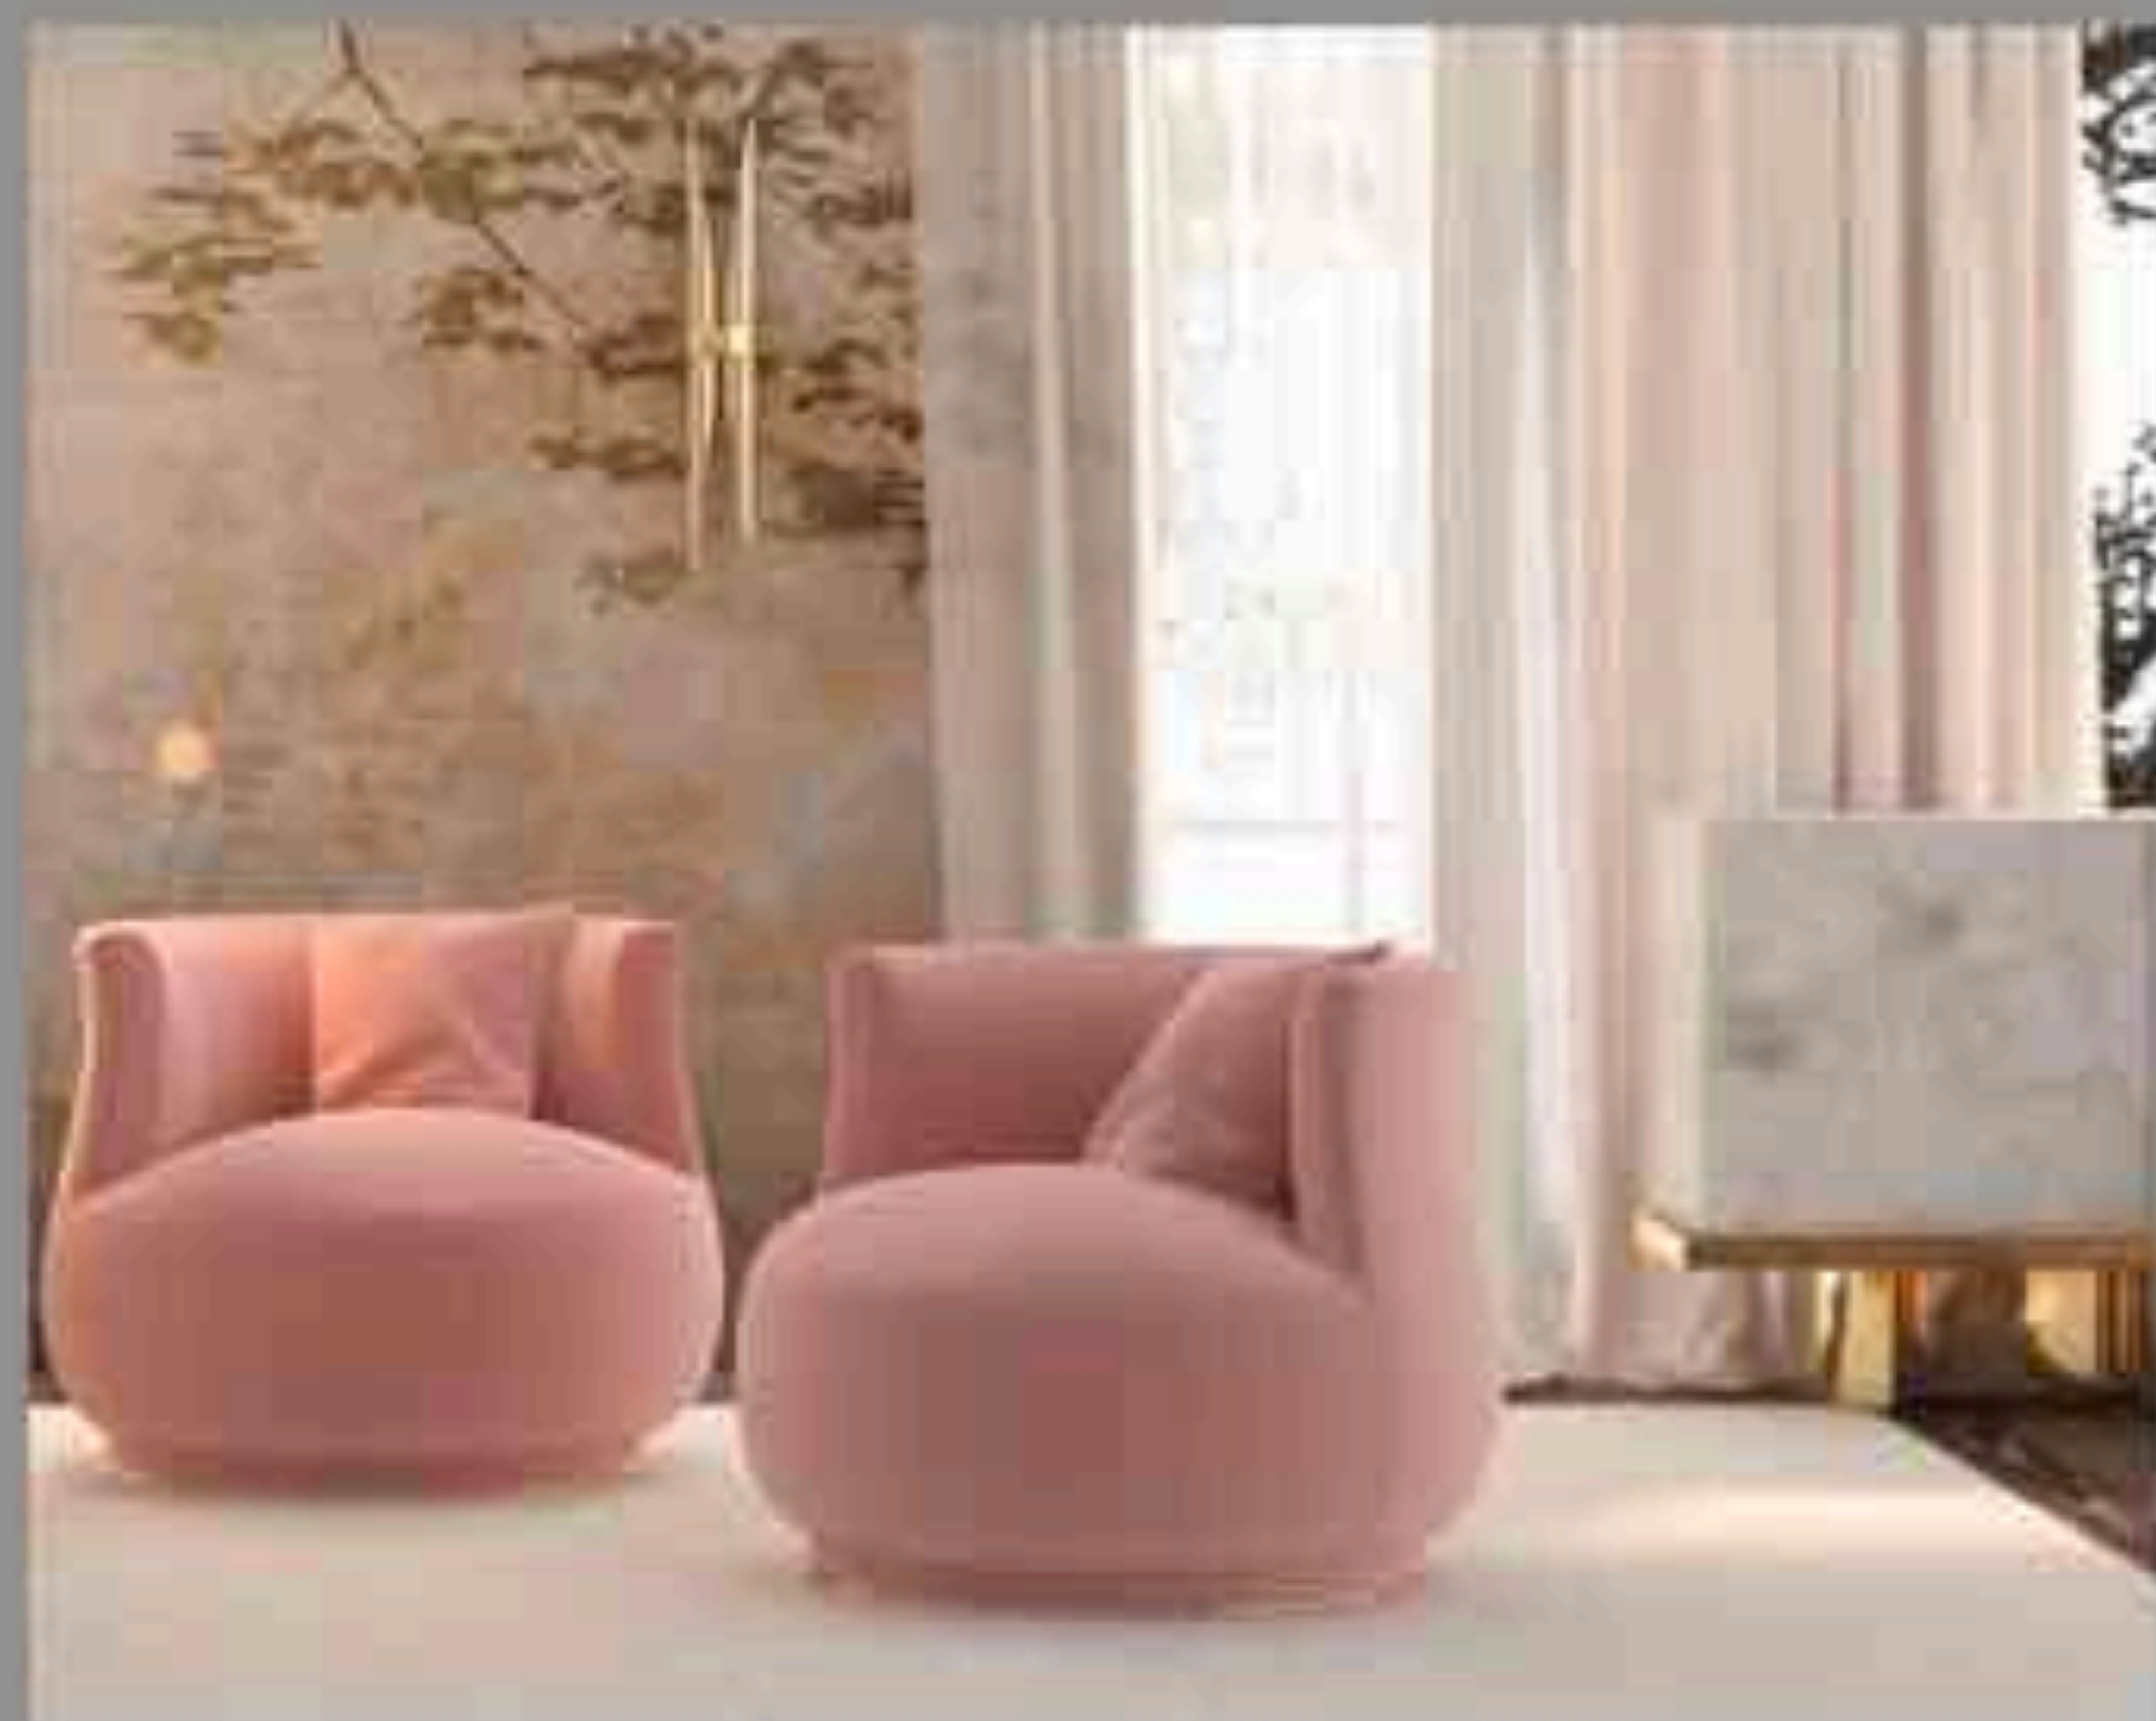

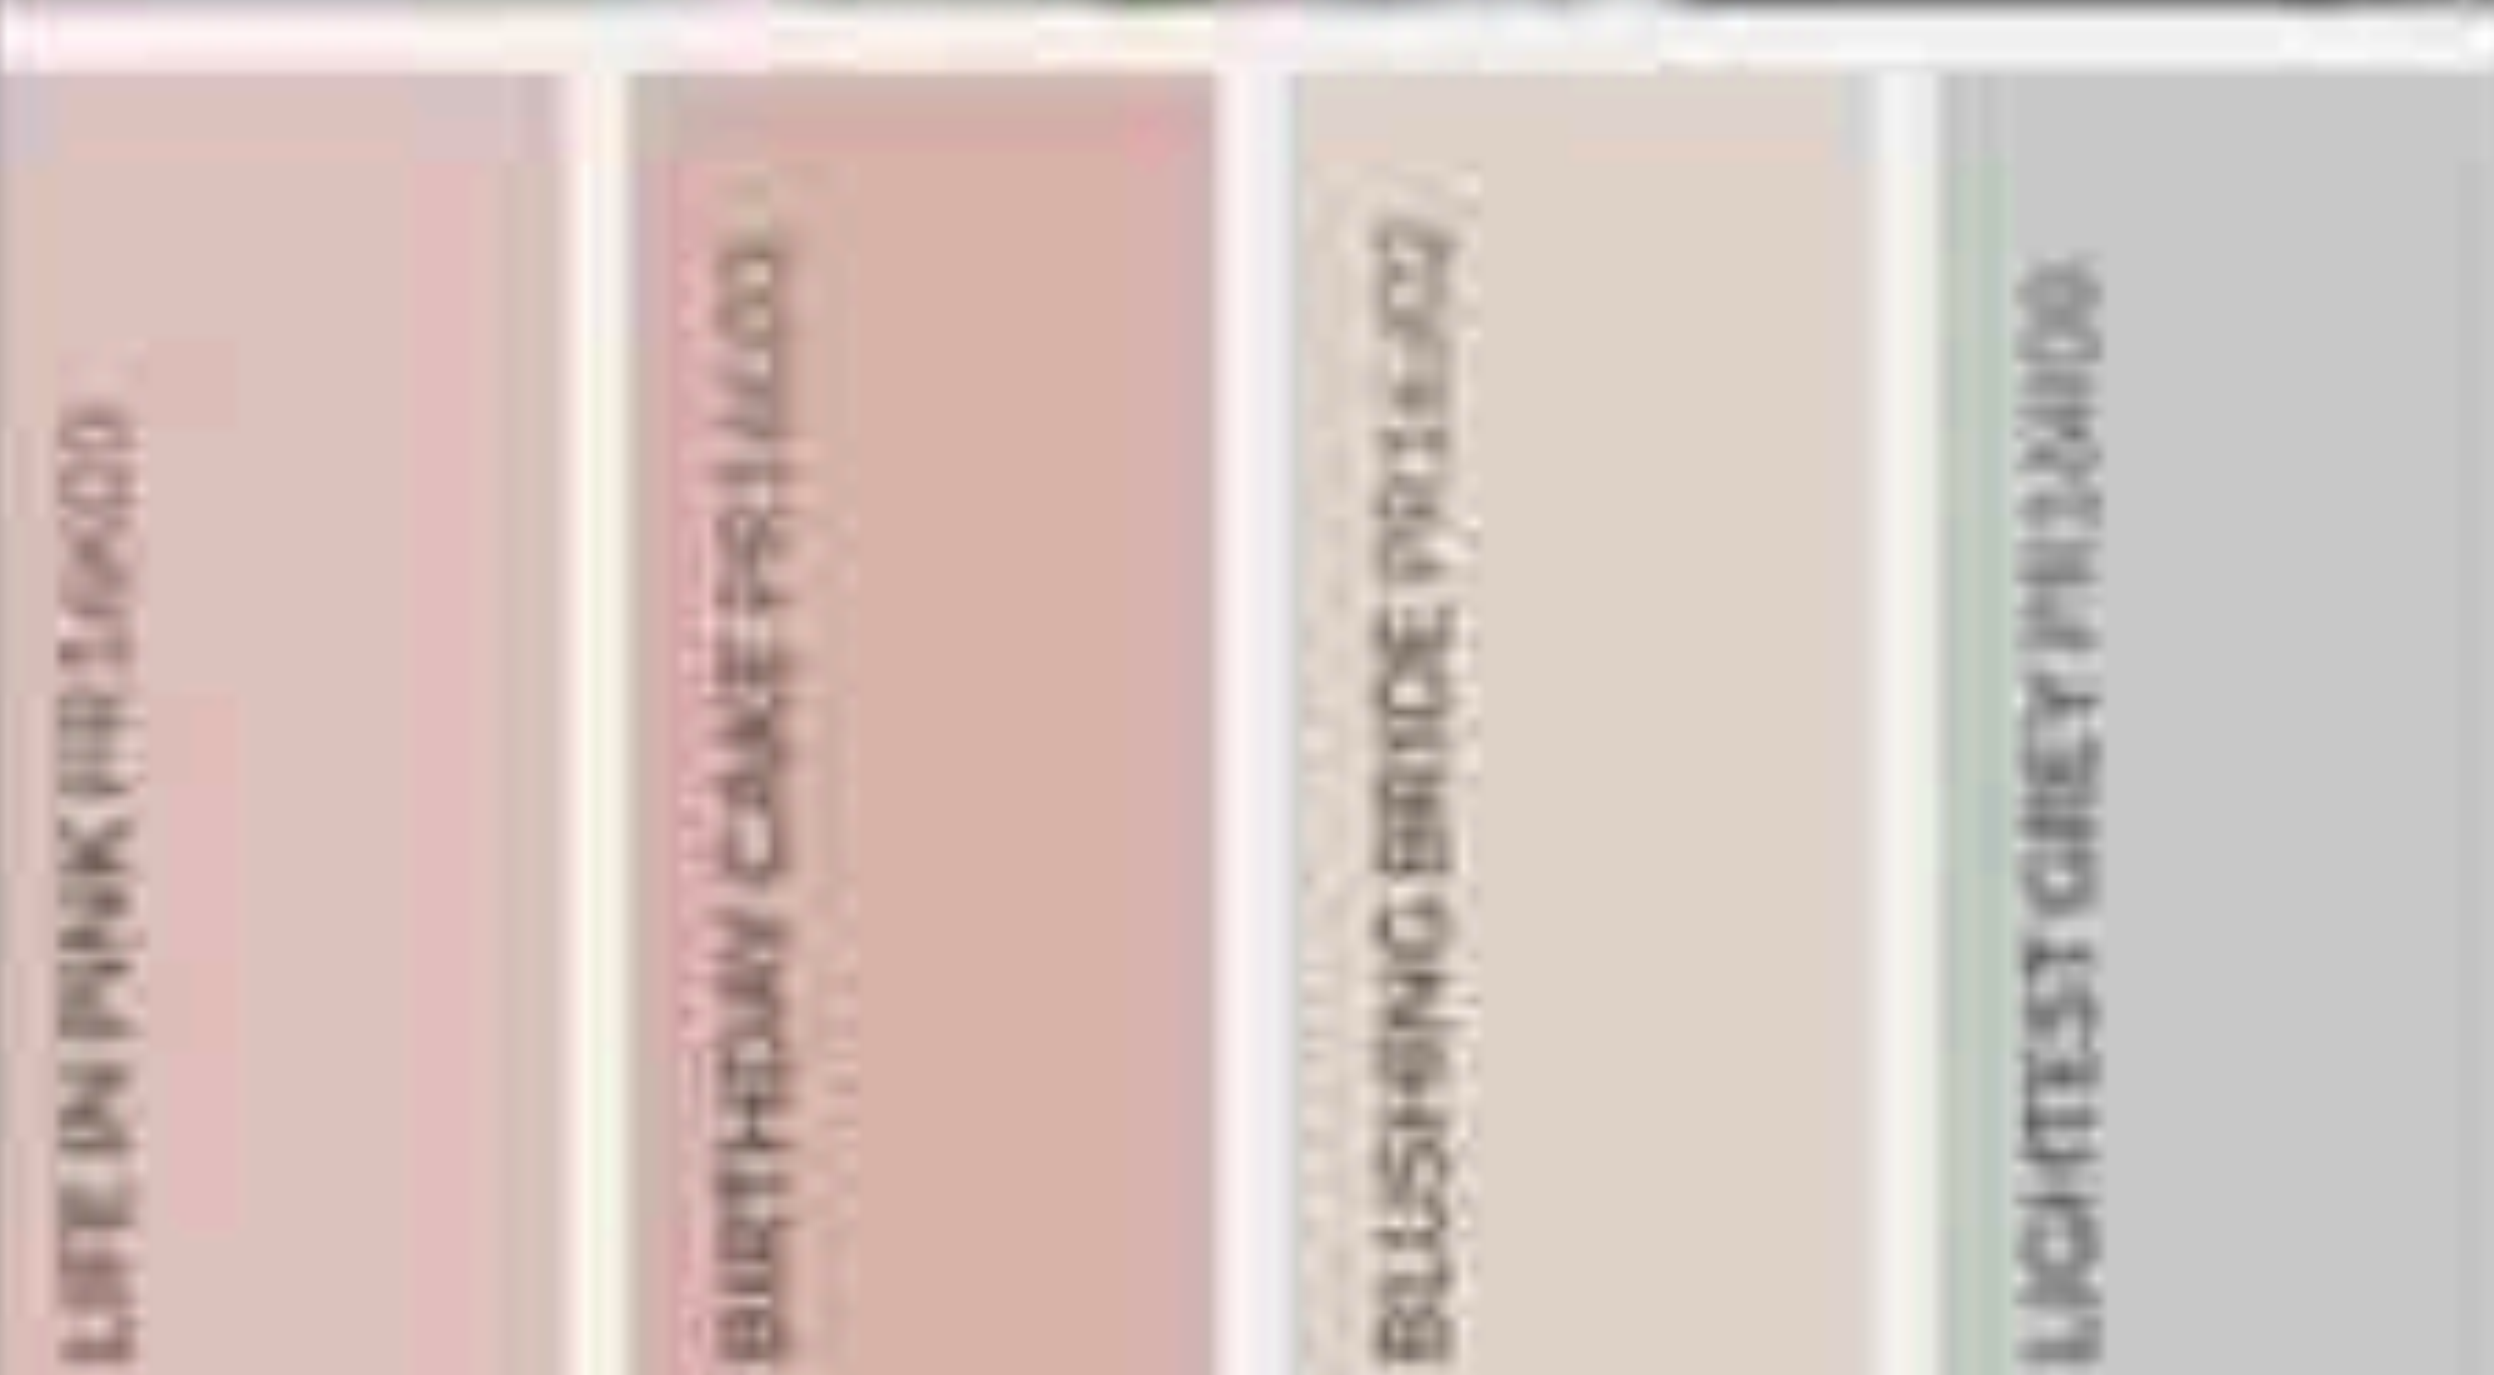

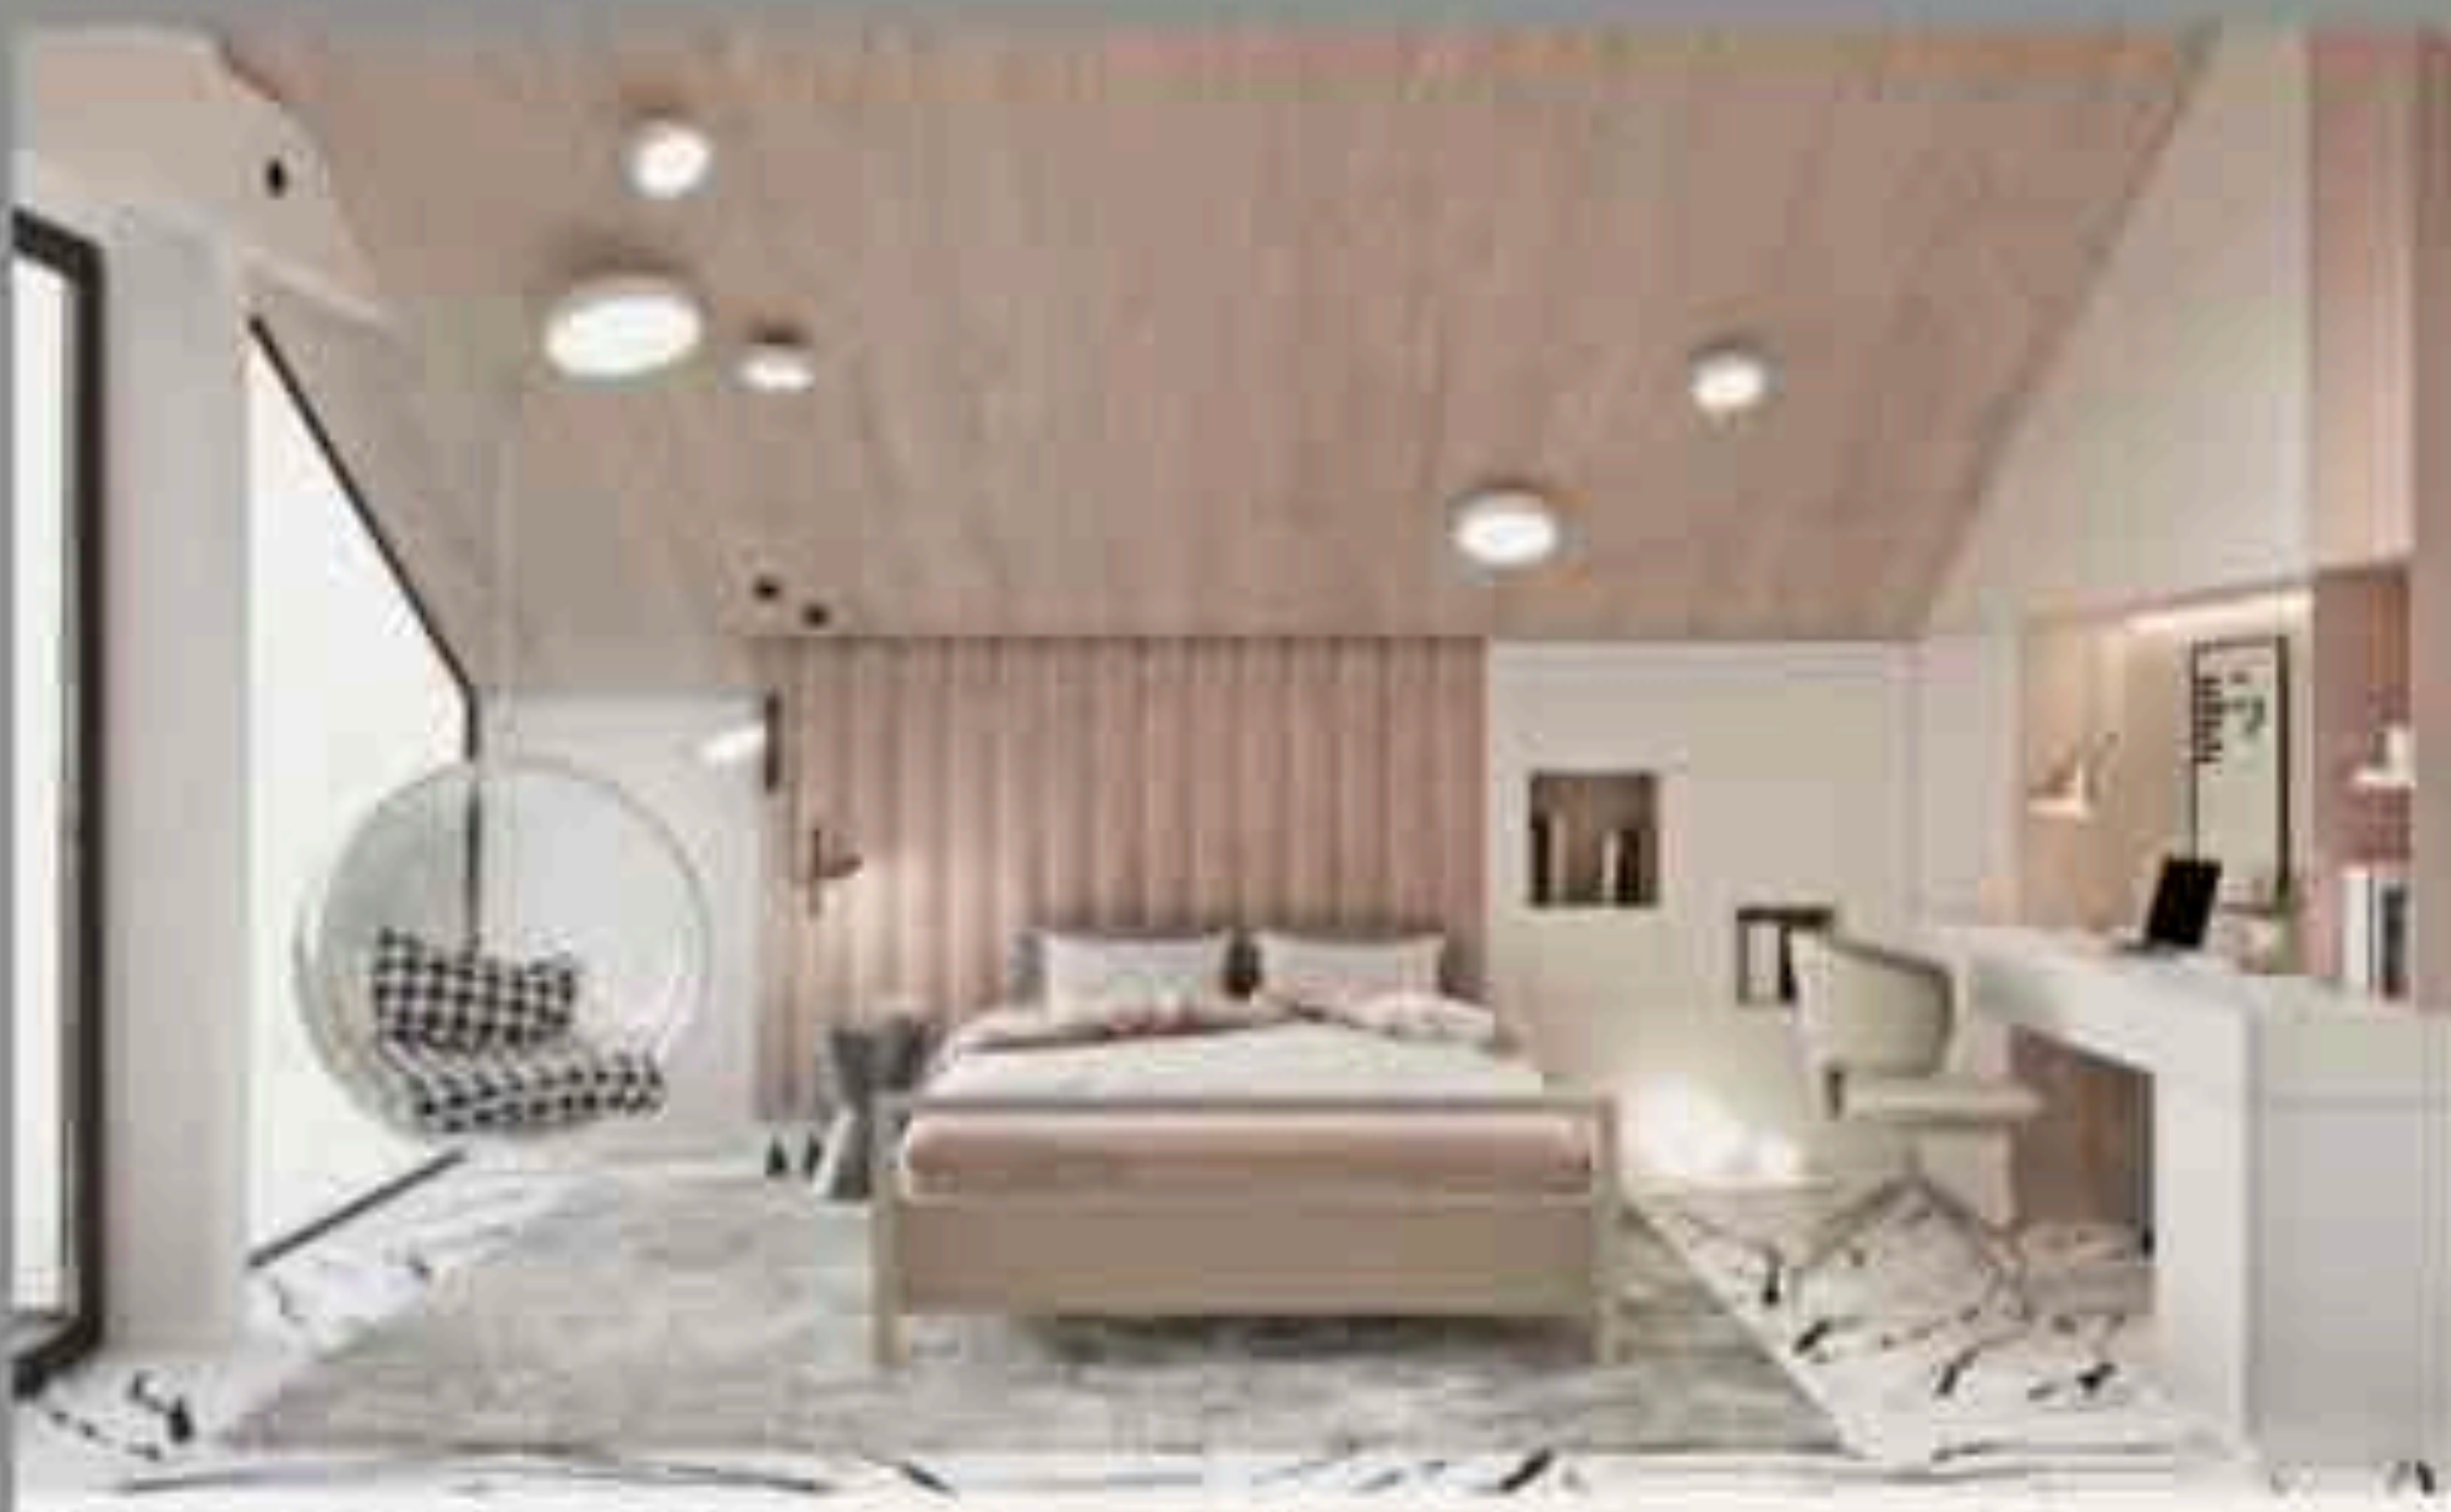

# KID ROOM STYLING IDEAS

- Kid's rooms are special rooms in houses but the best way is to keep the styling of the whole house in it
- Here we can be more brave adding modern elements
- Soft powder colors show that young lady owns this room

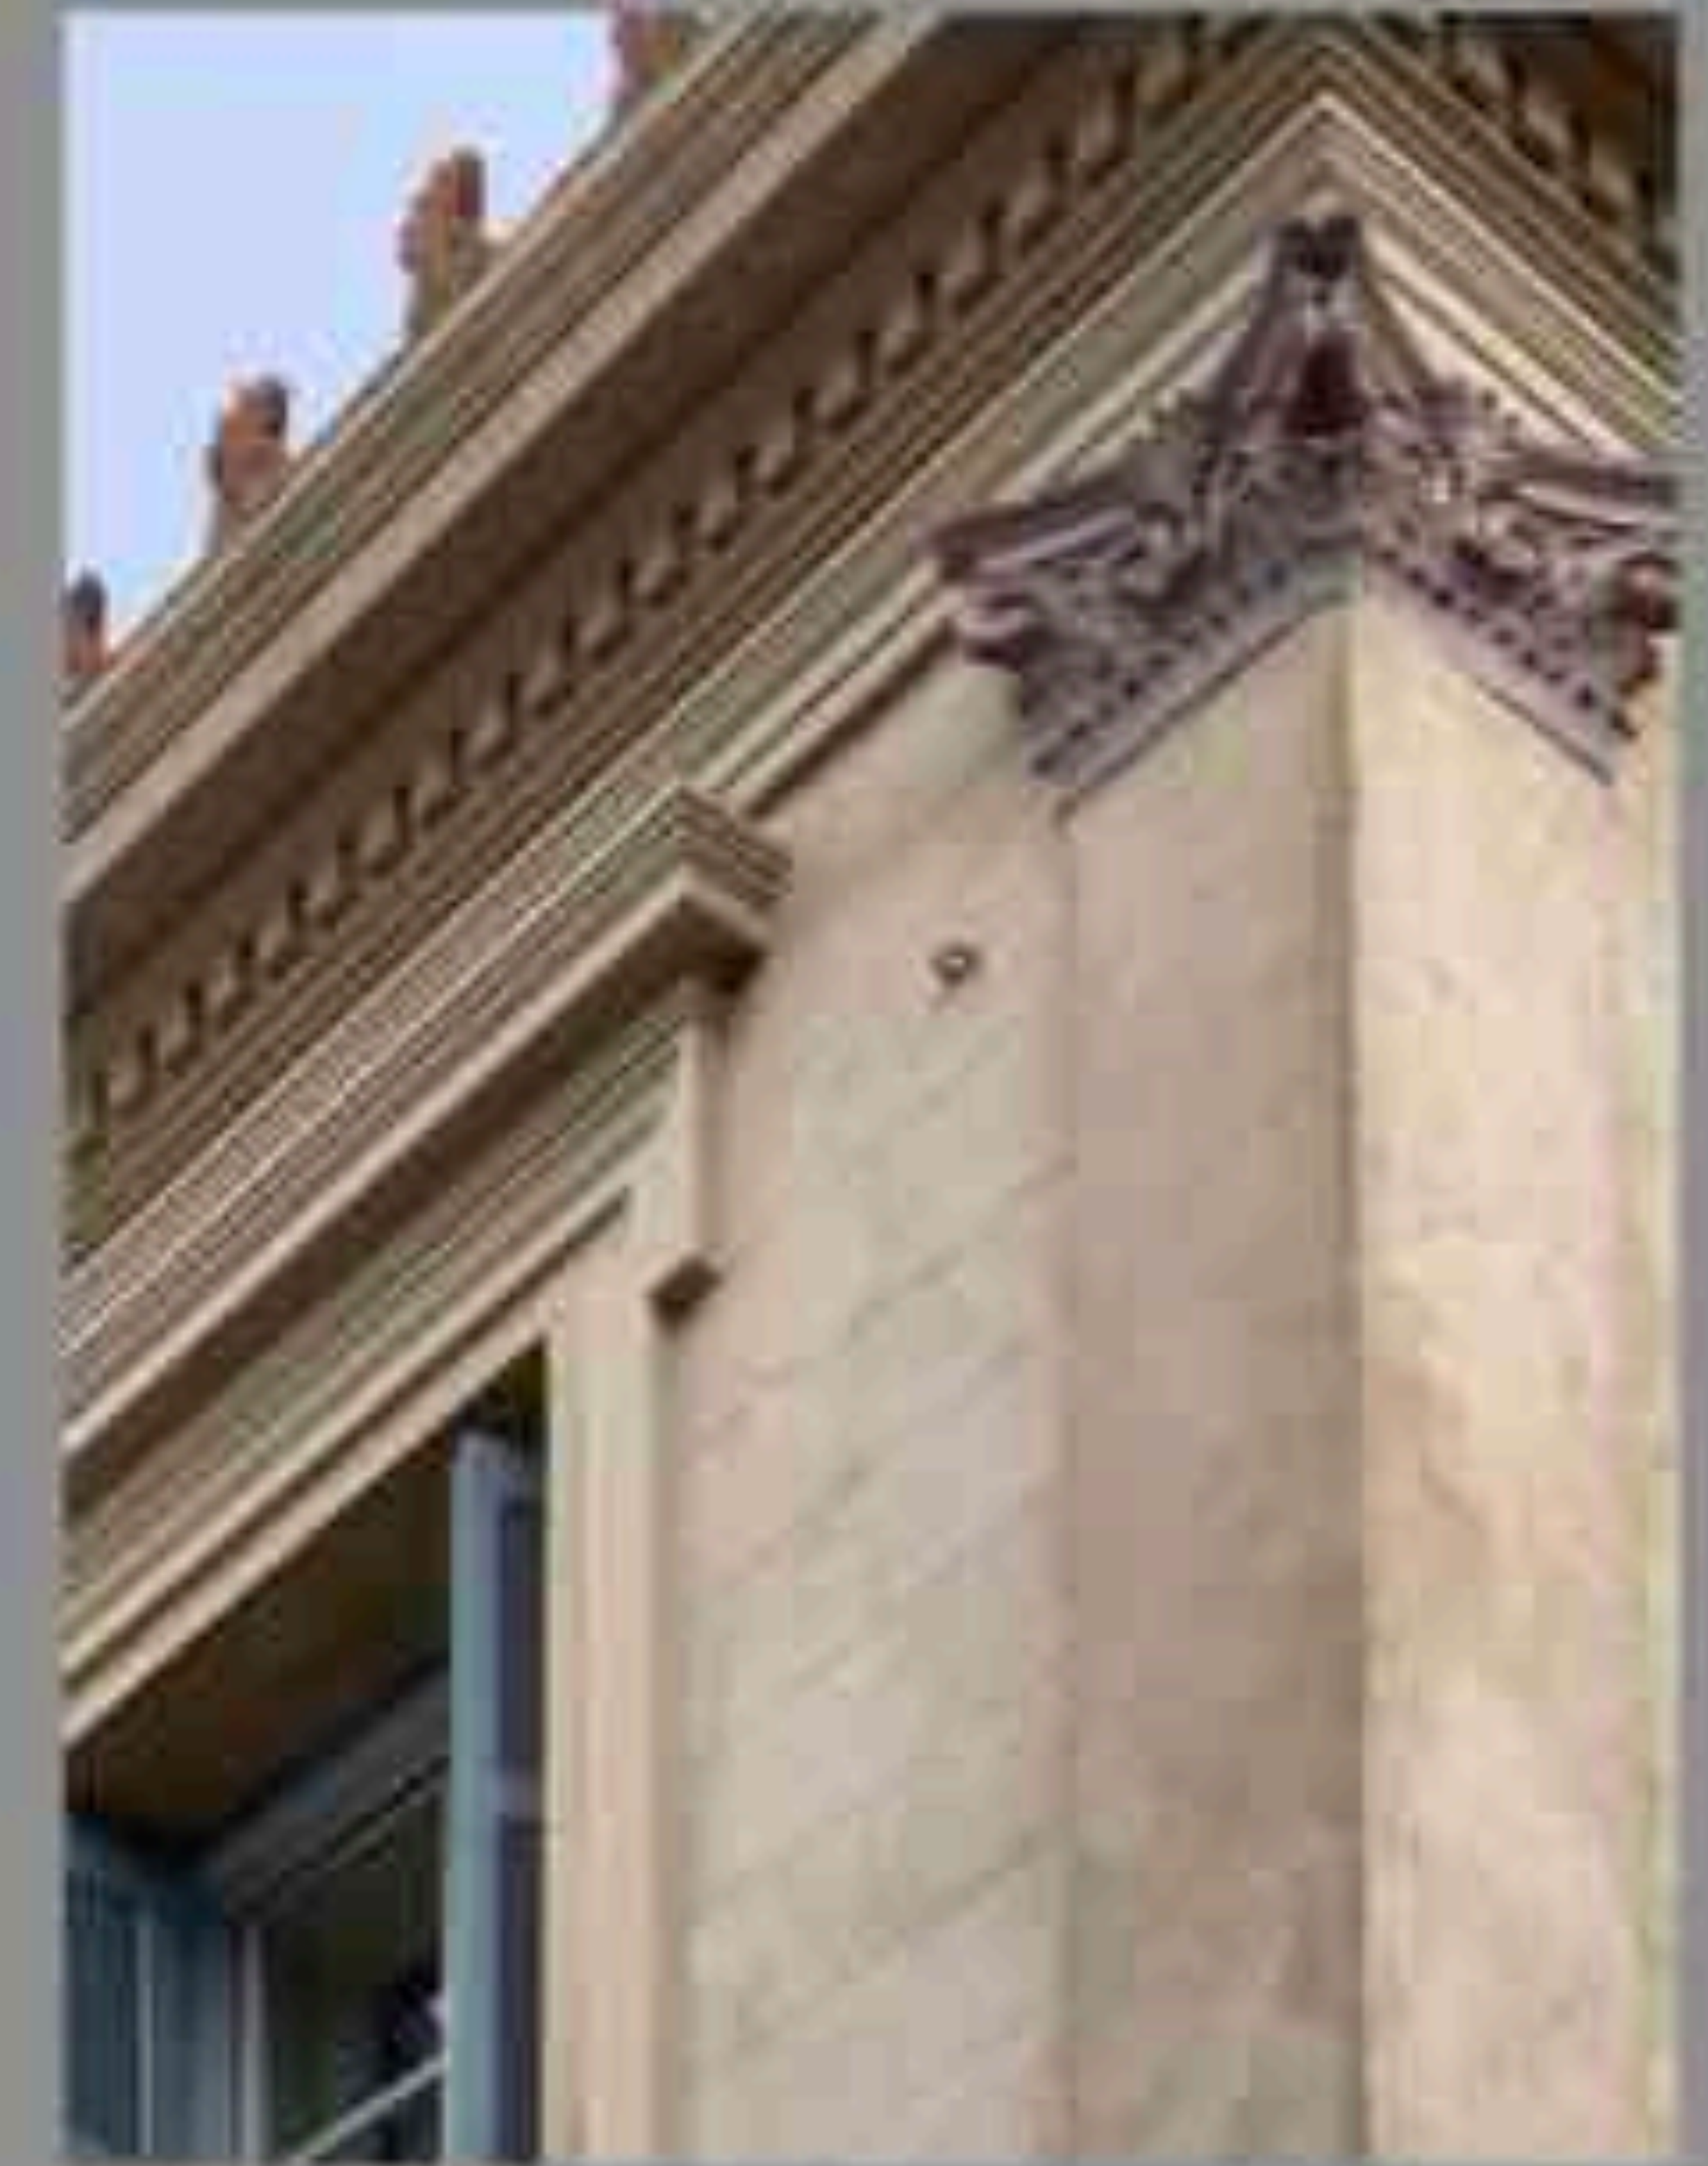

BEDROOM,  
BATHROOM AND  
WARDROBE HAVE THE  
SAME ATMOSPHERE

# BACKYARD IS A PART OF THE FACADE

When we create an interior it is very important to connect it with the exterior

In the backyard we can keep up the exterior of the house by using similar colors.

# INFINITY POOL STYLING IDEAS

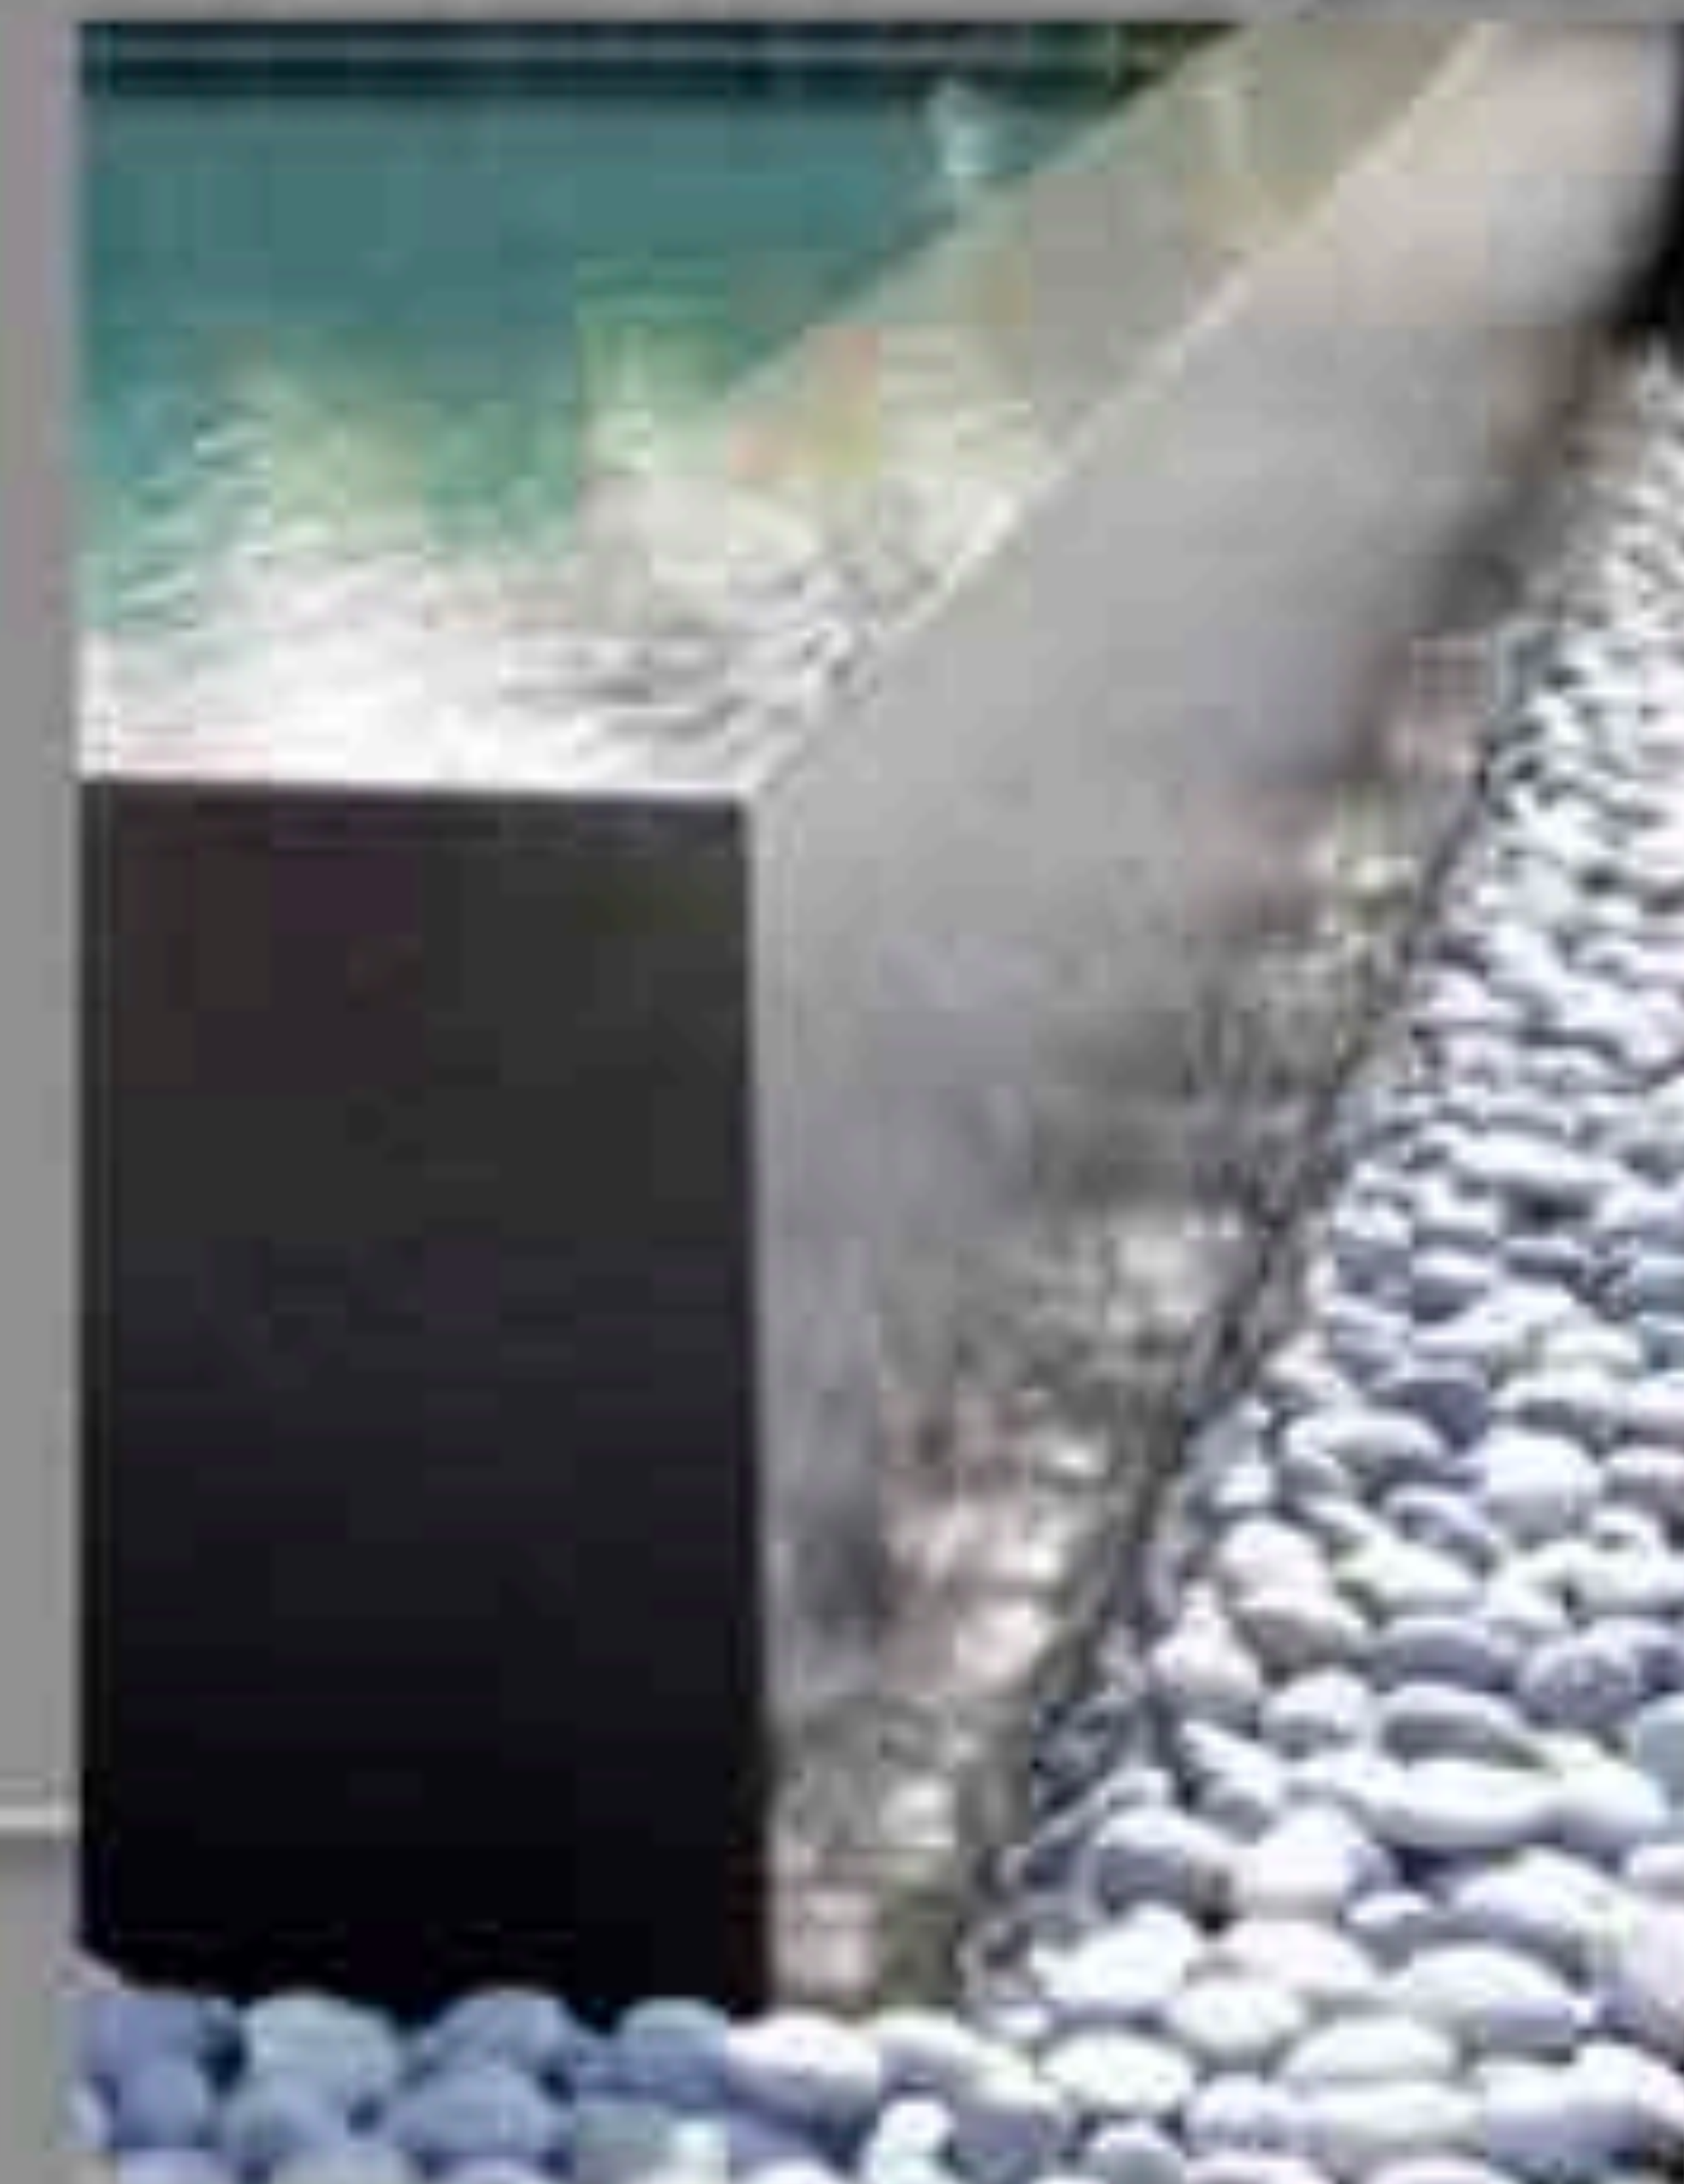

The waterfall flows down the wall

The infinity pool is built up (not dug out)

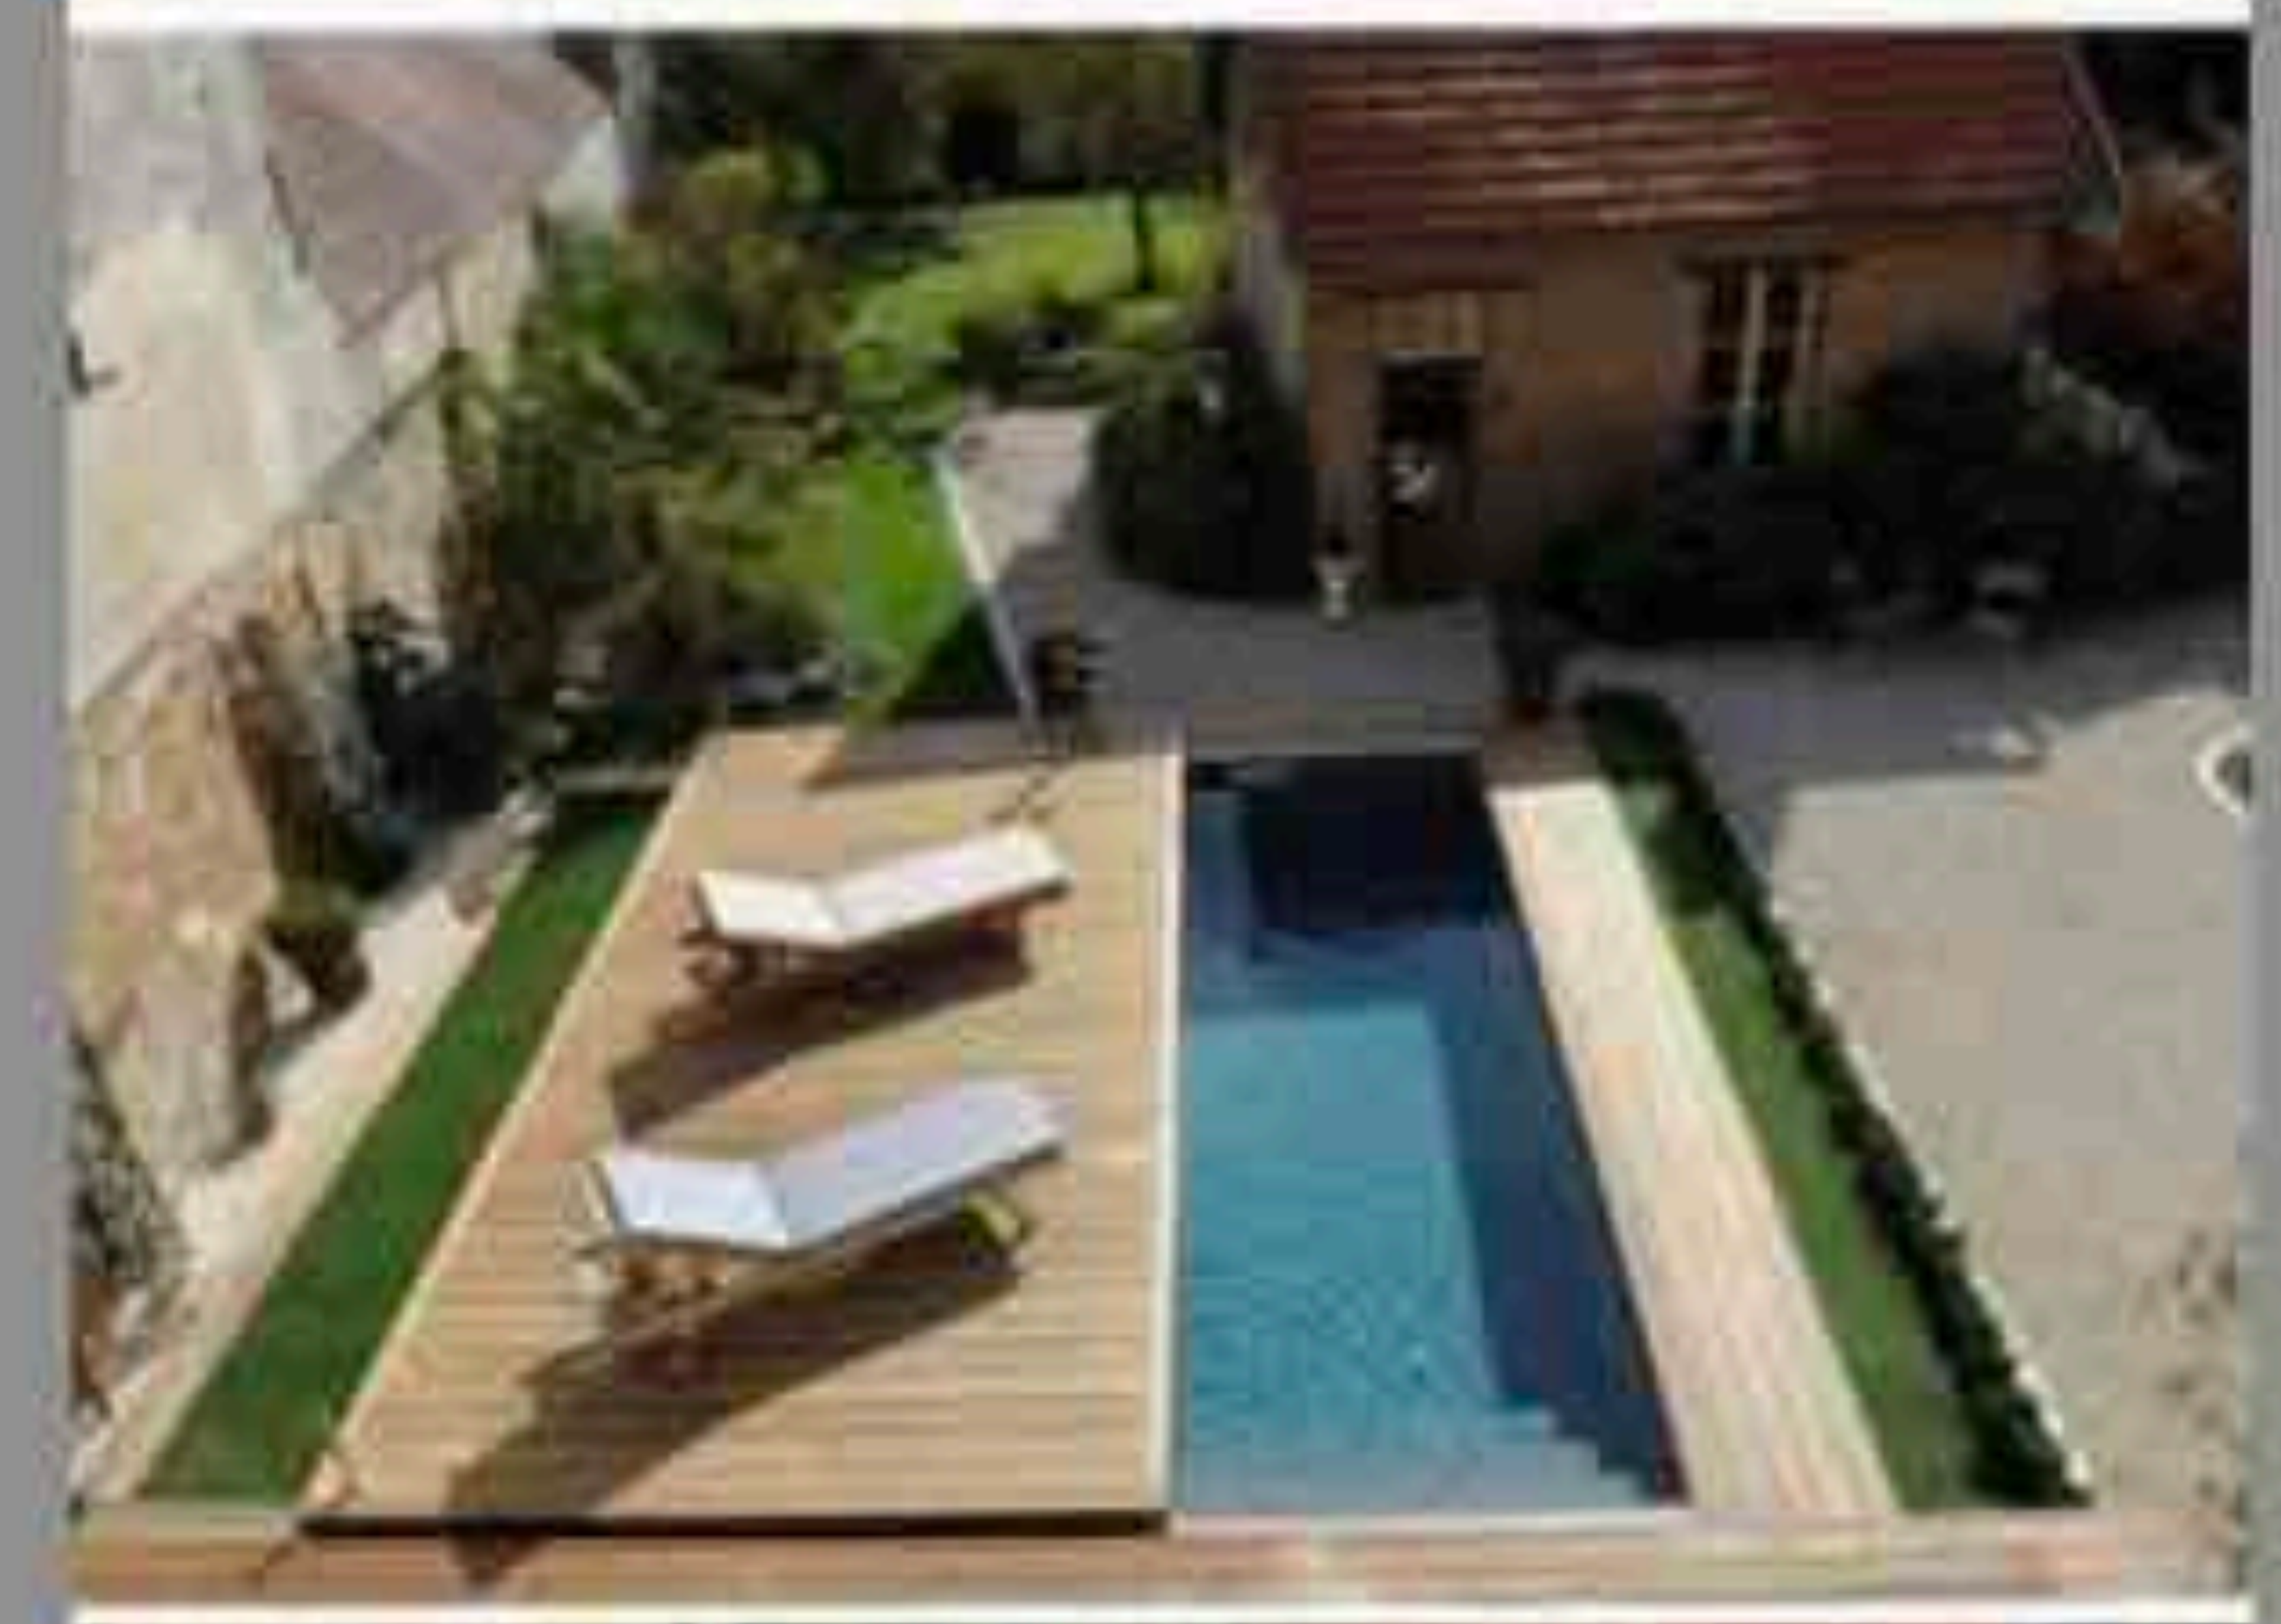

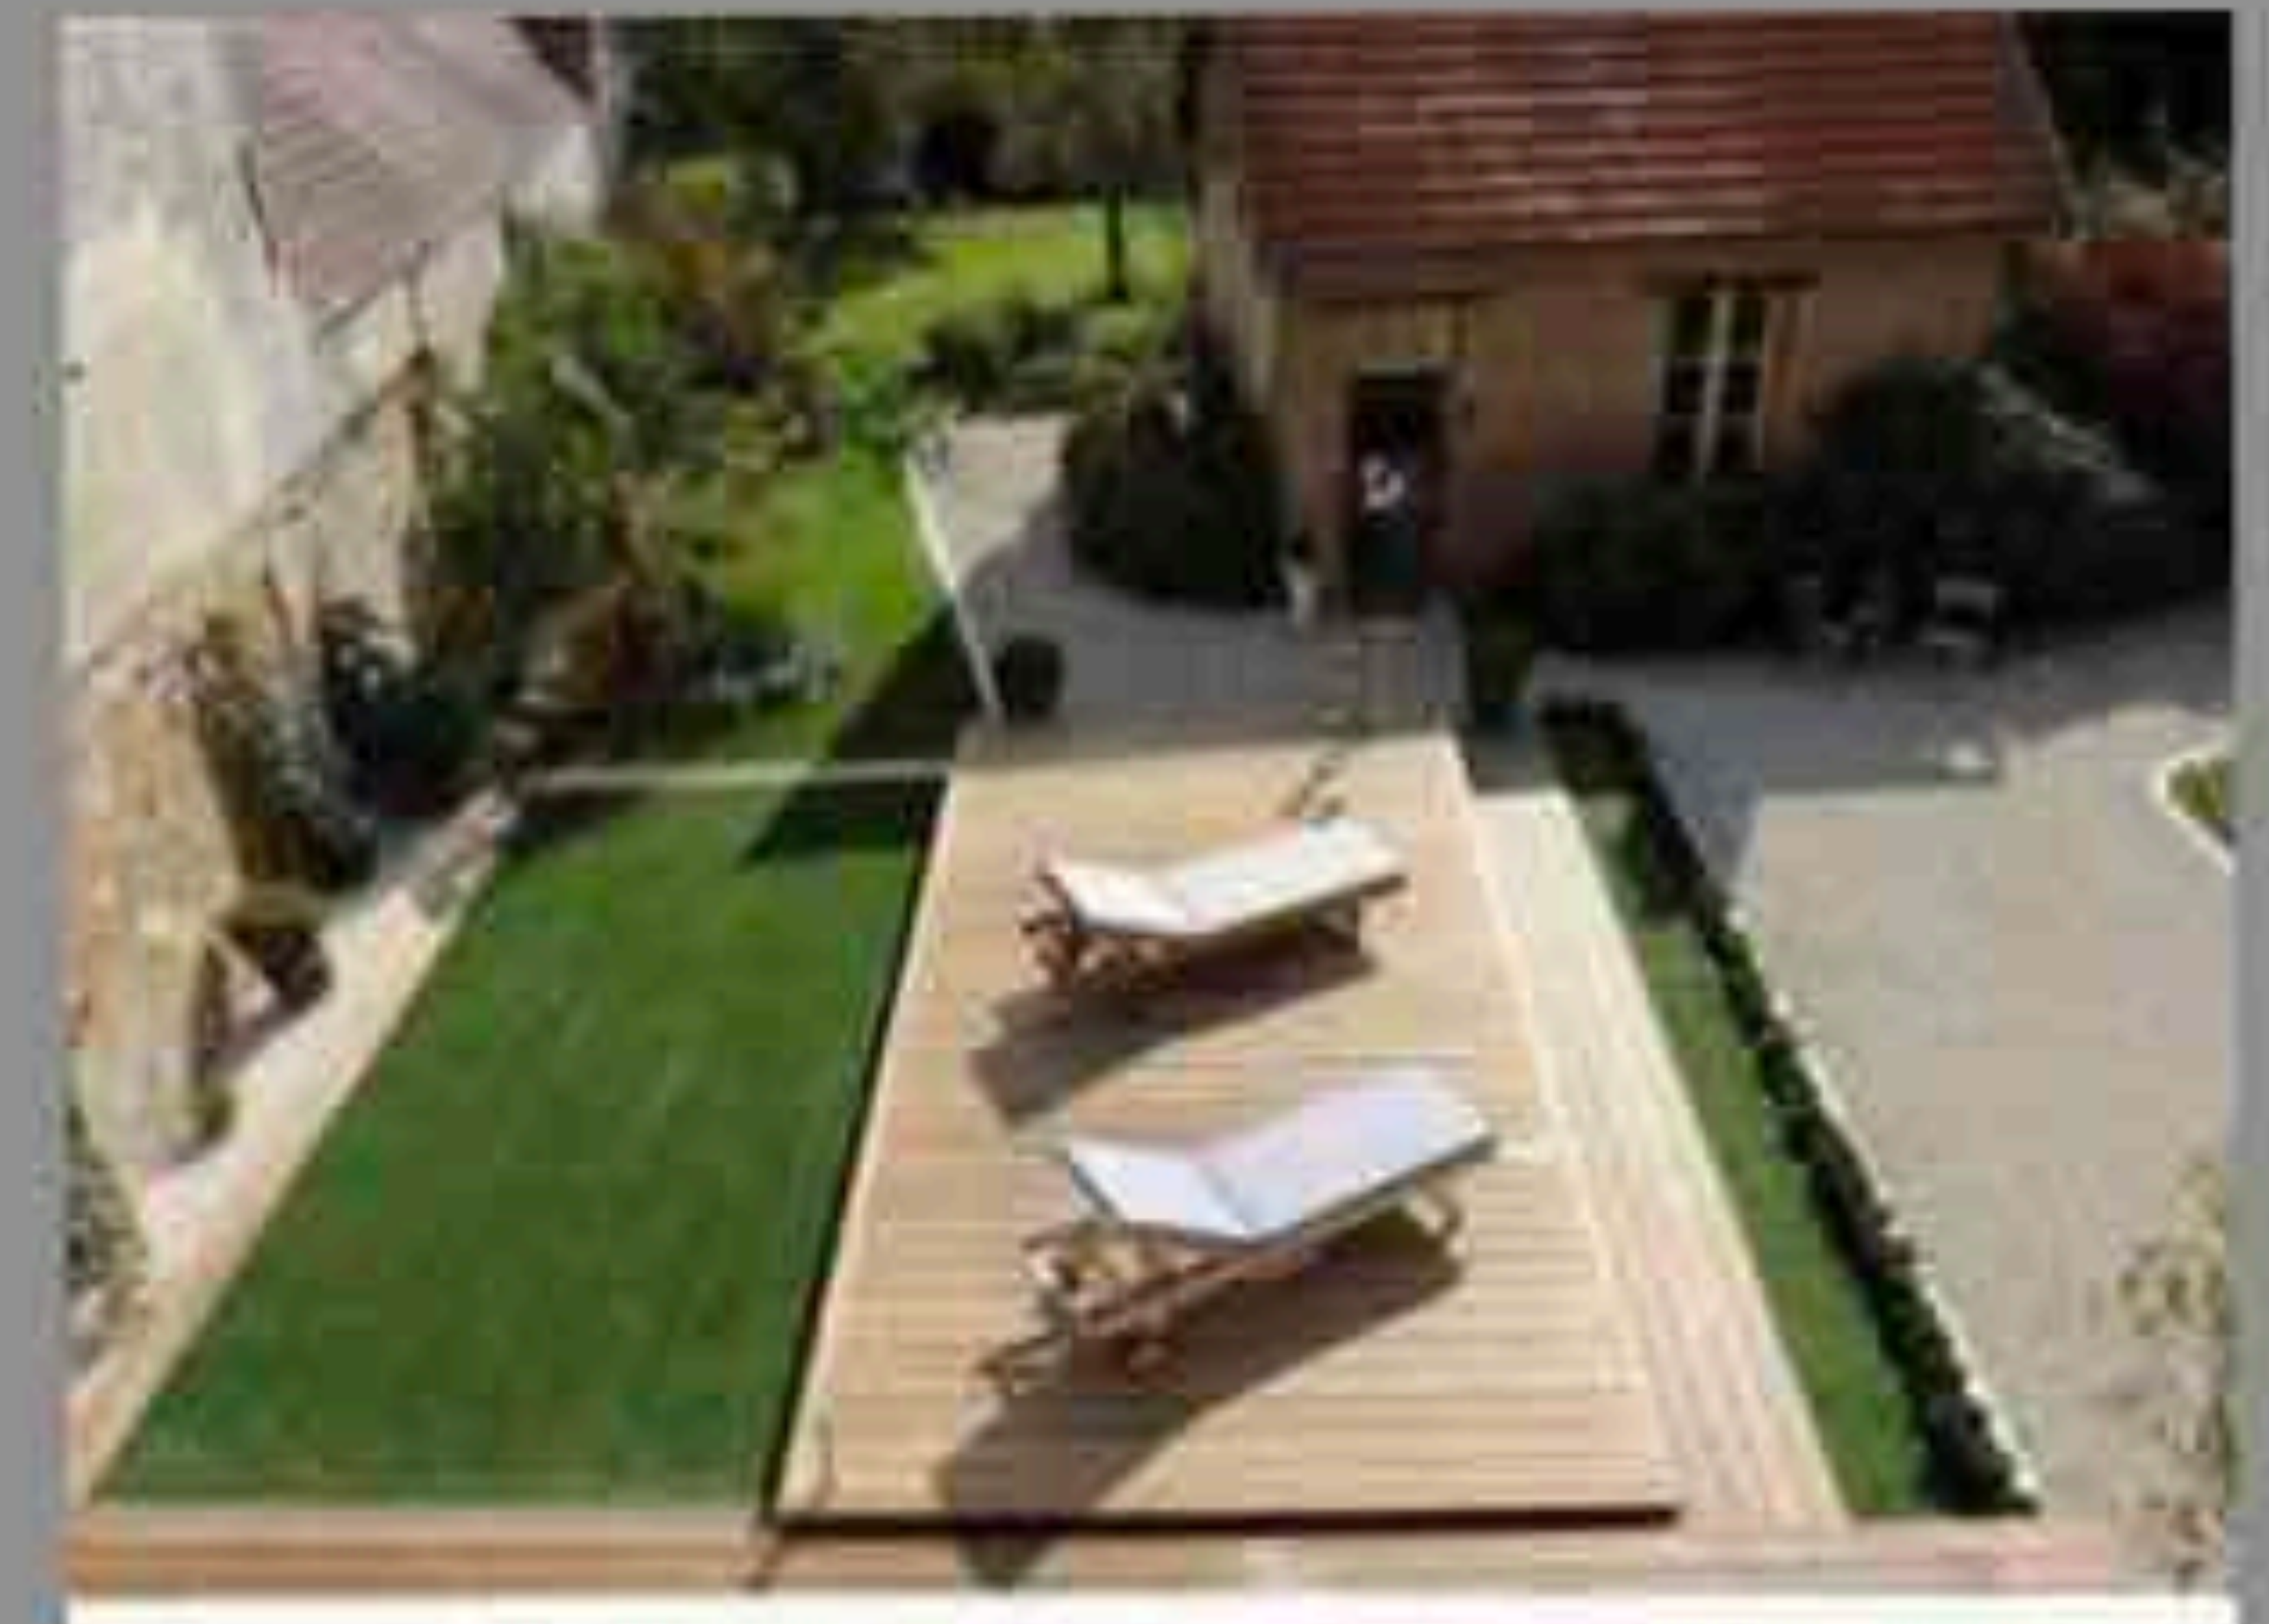

White stones frame the pool

# POOL COVERED WITH A WOODEN DECK

- To have more space during events helps the rolled out wooden deck. There are a lot of ways to role it out. Choose yours!

# KITCHEN STYLING IDEAS

- Kitchen has the same atmosphere of neoclassical style
- Colors are light
- Marble floors and tops

# ROOF TERRACE STYLING IDEAS

- On the roof terrace you can use a wooden shadow tent pergola shape
- The pergola can be dark wooden colors or even the light ones
- Lights between the lines of the wood in combination with Acropolis view will give fairy tale feeling at night
- The plants in square pots all around the terrace can be just a piece of nature or can cover you from the neighborhood
- You can relax yourself in the swing chair

# ROOF TERRACE FURNITURE

- There are a huge number of options for roof furniture
- It can be wooden or plastic or rattan
- Special attention should be put to fabrics like we do in the interior
- The fabrics must be water resistant

# ROOF TERRACE LIGHTS

- The most beautiful time for relaxing on the roof terrace is night
- Lights makes the terrace fairytale
- Songs of cicadas in the summer will supplement the relaxing music reaching you from the audio speakers on the walls
